Pipers Face Stamford In Annual Grid Affair

Greyhounds Ride Over Locals, 38-6, First District Go Bulldogs Favorites To Win Tonight

Defeated by lop-sided scores in their first four encounters this year, the Hamlin Pied Pipers face another steam-rolling foe tonight on the turf of Piper Stadium, as they clash head-on in their annual classic with the Stamford Bulldogs. Kick-off is set for 8:00 o'clock p.m.

Last Friday night, Stamford walloped the Haskell Indians 38-6, to push the Indians down in the cellar along with Hamlin and Albany. At the present time it appears these latter three teams will fight it out to keep off the bottom of the heap.

A large crowd of Stamford fans is expected to accompany the Bulldogs here for what they confidently expect to be an easy victory.

The Pied Pipers have several men of championship caliber but the team seems to be unable to get going against the high type of opposition they have encountered so far. Some of the powerhouses yet to be met include Colorado City, Munday and Anson, all conference foes with the exception of Colorado City.

Greyhounds Outrun Pied Pipers.

Fullback Terry Rice led the unbeaten Throckmorton Greyhounds Friday night at Throckmorton, as they romped over Hamlin 38-6. Rice took the opening kick-off and ran 80 yards for a touchdown.

A 40-yard pass from Whitaker to Bingham scored the second touchdown and Rice scored again on a 60-yard off-tackle jaunt. Cecil Ingram took the ball for 80 yards late in the first period to score and bring the total for the period to 26-0.

Ingram and Whitaker each scored again in the second quarter to end scoring parade for Throckmorton. Hamlin's lone touchdown came in the third period when Jack Owen, quarterback, plunged over right guard for two.

The lineups were as follows:

Hamlin P. os. Th'mtn
Goodgame L E Bachman
Criswell L T Halbert
Phelps L G Bird
Kite C en Pirtle
Hill RG Noles
Adams RT Cook
Black RE Boyd
Owen QB Whitaker
Townsend RH Benham
Johnson LH Ingram
Young FB Rice
Score by periods showed the following:
Hamlin 0 0 6 0 — 6
Throckmorton 26 12 0 0 — 38

McCaulley Eagles Defeat Blackwell With 46-6 Score

McCaulley's fighting Eagles again stretched their wins to 12, by smothering the Blackwell team by a score of 46-6.

The Eagles showed power in every department. Houghton again was the big threat and carried five times to pay dirt. The longest run was on a pass interception by Houghton to the 10-yard line, that was carried out all the way.

Gibson, quarterback, and Hicks, halfback, made the other jaunts on across the double stripe. Extra points were made on passes to Waltrip, Lawlis and a fake pass by Gibson.

Lone counter by the Blackwell team was made in the fourth quarter.

Again every player on the squad saw plenty of service. Second stringers were in action long enough to score and also to be scored upon. Those 70 and 80 pounders did a good job in the game.

S-Sgt. R. L. Cohorn Has Broken Leg

Mr. and Mrs. C. C. Cohorn have received word that their son, S-sgt. Rogie Lee Cohorn, has received a broken leg and was doing nicely until he had a relapse with cellulitis in that injured leg.

Sgt. Cohorn has served two years in Germany and friends are wishing him a speedy recovery and a return home.

F. & M. Nat'l Bank Deposits Soar Top \$4 Million Mark

For the first time in the long history of the institution, the Farmers & Merchants National Bank of Hamlin now has deposits of over \$4,000,000, president Tate May announced this week. Deposits at the close of business on October 6, the date the call was made by the Comptroller of the Currency, totaled \$4,017,782.68.

Deposits on June 30, the date of the last call, were \$3,875,772.67, a gain of \$142,010.01, May stated, showing the bank with a very substantial growth the past few months. Deposits at the close of business at December 31, 1946 totaled \$3,588,78.65.

Loans and discounts on the present call totaled \$778,862.66, a slight drop from \$784,795.04 recorded on June 30.

Capital stock is \$40,000 and surplus is \$80,000. Undivided profits are \$36,840.93.

The condensed statement is carried elsewhere in this issue and the complete statement will be published next week.

The Style Mart To Open Here On Saturday

Announcement was made Tuesday that The Style Mart, a ready-to-wear and accessories shop, will open in the building next door to the City Hall Saturday morning at 9:00 o'clock p.m. Miss Pearl Hudson, Mrs. W. C. Matchett and Mrs. A. Hudson, all well-known in this community are the owners and proprietors.

Open house will be held all day Saturday from 9:00 o'clock a.m. until 9:00 o'clock p.m. Everyone is invited to visit the new dress shop during these hours.

The new shop is going to be very attractive with the new modern front and large plate glass windows. Furniture and fixtures are being installed.

Miss Hudson, who is well acquainted with buying and selling of ladies clothing, will be manager. She promises that the store will feature many nationally-known brands of clothing. Hosiery, lingerie, gloves, bags, etc. will be carried from the best known manufacturers, it was stated.

Methodist W. S. C. S. Begins Clothing Drive This Week

Members of the Women's Society of Christian Service of the First Methodist Church voted Monday afternoon to sponsor a clothing drive for the needy in the European countries.

If you have some good clothing that you would like to contribute to this worthy cause, you are urged to bring them to the Harris Electric Shop on Central Avenue, or telephone 79 if you cannot take the articles to the shop and someone will pick them up.

You are asked to be sure that the clothes are clean, for sanitary reasons, as they cannot be accepted and shipped overseas otherwise.

"Your cooperation will be appreciated," the ladies stated.

First Methodist Quarterly Meet Here On Sunday

Dr. Will C. House, pastor of the Hamlin First Methodist Church, has announced that Rev. Orion W. Carter, superintendent of the Abilene District of Methodist Churches, will preach at the 11:00 o'clock a.m. hour at the First Methodist Church Sunday morning and immediately following that service, the second session of quarterly conference will be held. All members are urged to attend.

Dr. House will be in the pulpit at the evening service.

WHILE JUDGE I. M. Chism, of Shackelford County (extreme right), looks on, Dr. George W. Cox, state health officer, signs approval of the first application for hospital construction under new State

New Tests for Jones, Round Top Test Deepens

Highway 180 East Of Anson to Be Improved Soon

United States Highway 180 from Anson, west to the Fisher County line, at a point near McCaulley, has been completed and is open to the traffic. This is a fine stretch of road and will be of great benefit to east-west traffic.

County Judge Roger Garrett stated that with one or two exceptions it would be necessary to obtain an additional 10 feet of right-of-way on each side of the present ahead for the improvement of this stretch of road, one of the roughest spots along the entire highway from Dallas to El Paso. Highway Department officials expect to spend approximately \$500,000 on improving the road and say it will be one of the best in the Texas.

Right-of-way deeds have been secured for improving 180 from Anson, east to the Jones-Shackelford County line, and plans can now go route. Commissioners Court recently voted to pay on the same basis as they did on the stretch west of the county seat. They will pay landowners on the basis of \$50 per acre for cultivated land and \$35 per acre for pasture land and to rebuild the fences in as good or better condition than they are at the present time.

2,158 Bales of Cotton Ginned This Season In Hamlin Already

A survey Wednesday morning revealed that 2,158 bales of cotton have been ginned in the two Hamlin gins this season.

Producers Gin reported a total of 850 bales and Farmers Cooperative 1,303 bales.

This is about equal to the total crop ginned here last year.

A large amount of the crop is yet to be gathered, although an estimate of the per cent still in the fields was not available.

First Baptist Church To Host District 17 Annual Convention on October 23-24

First Baptist Church of Hamlin will be the scene of the annual convention of District 17 Baptist churches next Thursday and Friday, October 23 and 24, according to an announcement by the pastor, Rev. John H. Osteen. Between 300 and 400 church leaders from several counties in Central West Texas are expected to attend the meeting and many of them will spend one night here.

Members of the church plan to furnish bed and breakfast to all messengers who attend, but their noon and evening meals will be taken elsewhere.

Some of the outstanding Baptist leaders of this area and of Texas will be here, it is said.

Unbeaten Teams Clashed On Local Field Last Night

Two undefeated teams were to have clashed at Pied Piper Stadium Thursday night. Hamlin's Mighty Mice were to square off against the Anson Tiger Cubs and a large crowd was expected to attend.

The Mice are undefeated, having trounced Roby 27 to 0, Merkel 40-0 and Stamford last Thursday night, 47-25, with practically every boy on the squad getting into the game at sometime or other. Anson beat the Stamford team 37-6 and Albany 24 to 0.

Next Thursday night the Mice journey to Stamford to engage the Stamford junior team in their second game.

The Mice haven't lost a game in two years and expect to again win the championship this year.

Before the main game and at half-time the Hamlin fifth grade will play the Hamlin sixth grade.

The sixth won last week, 12-0.

Joe Allen Dean and Lucas Bryson are outstanding backs for the Mice and have made the most points. Outstanding linemen are Troyce Hargrove and James Jenkins.

The Mighty Mice led Stamford 49 to 6 at the half last week and with their B team playing most of the last half the Bulldogs pushed over three more touchdowns.

Kenneth Holloway Wins Second In State Fair Show

A Hamlin FFA member, Kenneth Holloway, was among the top-place winners in the State Fair's Junior Dairy Show at the judging last week. His Jersey heifer, Cameo, took the second place in her class. Holloway left Wednesday to accompany her to the national show in Columbus, Ohio, where he will also be entered in the judging contest.

Another Jones County boy, Elton Birgham, former Hamlin FFA member, won first in his class of milk cows with Rosita and won the championship with his Aberdeen-Angus and had a Hereford that placed at third.

Holloway and Antonio Gonzalez, another local FFA lad, showed some barns in the swine show, with Holloway winning fifth and sixth on some Hampshires. Gonzalez didn't place, but both boys sold their porkers, receiving 33 to 34 cents per pound.

James Stuart of Roby won the reserve champion honors for his barrow.

Gospel Meetings to Begin Sunday at the Celotex Community

J. C. Scott, minister of the Hamlin Church of Christ, will be the evangelist during the series of gospel meetings beginning at the Celotex community house Sunday, October 19, and continuing through the following Sunday, October 26.

Lewis Hogue will be the song director for these services.

Services each night during the week will begin at 7:30 o'clock p.m. and on Sunday night at 8:00 o'clock p.m.

"You are invited to attend these series of gospel meetings. Sermons direct from the Bible."

Mrs. Clyde Huff To Work Again At Malouf Store

Mrs. Clyde Huff will again be associated with the Malouf Department Store, beginning her work on Wednesday, October 15. Mrs. Huff formerly was employed as buyer for that store before she and Mr. Huff went into the laundry business.

She will leave for Dallas and Fort Worth October 19 to attend spring markets and will make purchases for fall and holiday season.

To Officially Open Building Before Christmas

Many Rooms Being Furnished Grouply

Board of Directors for the Hamlin Memorial Hospital met in a special called session last Wednesday and voted unanimously to ask Dr. J. F. Hocott of Abilene to head the medical staff of the Hamlin Memorial Hospital, which is fast nearing completion, according to Bowen Pope, secretary.

It is already on the search for an associate partner to join him here as soon as possible it was stated. There are four rooms in the hospital especially built to accommodate two doctors. There may be some delay in getting medical equipment, but every article does not have to be on hand before opening. It is possible that the hospital will be officially opened before Christmas the hospital spokesman continued.

Room Furniture Furnished.

It is important for every person in the Hamlin territory to know that every single thing about the Hamlin Memorial Hospital is a gift from someone. The room equipment is one outstanding feature and thus far the following have signed up to furnish a room or rooms:

Mr. and Mrs. J. B. Terrell room, F. & M. Bank, kitchen.

Hamlin Rotary Club room.

Mr. and Mrs. T. A. Jean, room, F. & M. Bank, private room.

First Baptist Church, room.

Veterans of Foreign Wars, reception room.

First Methodist Church, room.

Rev. J. A. Young, room.

Mr. and Mrs. George Malouf, room.

Hamlin Lions Club, room.

Mr. and Mrs. Bowen Pope, business office.

Barrow Furniture Company, valiant blinds.

"Up to Wednesday there only remains to be furnished three private rooms, the nursery and two doctor's offices," a board spokesman said.

"There are many items to be furnished, but they will be minor and name plates will be hard to attach. Now there is a place, yet, where you can help. Do it while you have the chance. It seems it should be felt by every family to have a part in making this hospital dream come true. For \$50 is mighty little to put into your own hospital, but that much will give you a feeling of ownership and finally mean a good investment and saving on several lines. It is going to be mighty fine to have doctors, nurses and hospital rooms nearby, instead of having to travel 20 to 40 miles through cold, snow, rain darkness to get medical help. Many have said 'well wait.' Now don't wait—if you have not taken out a membership, please do so at once. It is requiring lots of cash to complete the building and buy the equipment. Remember when you give anything it is for yourself, your family and your neighbors."

"Meet Dr. Hocott; talk it over with him. See the manager, ask him all the questions; talk with the directors and hand them your \$50 check, your address and the names of every member of your family, unmarried," the board spokesman concluded.

Fisher Show Set Oct. 30-Nov. 1

Fisher County's annual County Fair will be held in Roby on October 30 through November 1. L. E. Turbeville, county farm agent, is in charge of awards division of the Fair and of securing judges for the Fair shows this year.

W. L. Stangel, head of the Animal Husbandry Department, Texas Technological College, Lubbock, will be the sole judge of the livestock show. Tom Wade, a well-known horse breeder of Sweetwater, will judge the horse show on Saturday, November 1. L. G. Rich, head of the Agronomy Department, John Tarleton College, Stephenville, will judge the crop show.

An entry fee will be charged on all livestock and poultry and must be turned in with the entry form, with the entry fees in each particular show division to be paid back as premiums in that particular division. Ribbons and prize money will be given show winners this year.

The Fair is being financed by advertising in the Fair catalog, which is being distributed to rural boxholders in the county, and to livestock and horse swine breeders in the surrounding counties. More than 1,500 copies have been printed for distribution and included entry blanks which can be detached and mailed back to the secretary of the Fair Association, Dick Martin at Roby.

Besides Martin, other Fair Association officials who are heading Davis will maintain an office on the third floor of the Jones County courthouse in Anson and plans to return to the county to reside as soon as possible.

SOCIETY

Ruth Class Feted At Tea Tuesday

Mrs. Clyde Angel, teacher and Mrs. Lester Morton, president entertained with a seated tea Tuesday afternoon in the Ezell home honoring members of the Ruth Sunday School class of the First Baptist Church.

Mrs. Morton, Mrs. Angel and Mrs. J. W. Ezell greeted guests at the door.

Following a very brief business meeting, Mrs. Eugene Eaton introduced Mrs. Ezell, who spoke on her recent trip to England and the European countries. Mrs. John H.

Osteen then spoke on the trip also and answered questions. She displayed several interesting articles she brought back from Europe, including some Danish newspapers, pictures, bread, etc.

Rev. Osteen showed the moving pictures that he took in Paris, France.

In the dining room, the table was laid with a madera cutwork cloth and centered with a beautiful arrangement of red roses on a reflector.

Mrs. Ezell presided at the crystal punch bowl. Mrs. Morton and Mrs. Angel served sandwiches, cookies and mints.

Those attending were: Mmes. H. S. Stovall, Ted Armstrong, W. O. Wilbanks, Cecil Sellers, Edgar Duncan, W. Wallace, Eugene Eaton, Ned Moore, Bonnie Smith, Jack Russell, Ovid Lawlis, Herman Treadwell, John Osteen, Mrs. Roy Cyptet of Waco, Donald B. Bryant and the hostesses and hostess.

Committees are as follows: Year Book—Suzanne Toler, Nozik Hassen and Sarah Steele.

Membership—Juaniice Young, Jo Ann Johnson, Betty Taylor and Vannie Huling.

Community Service—Frankie McCord, June Gillis, LaNell Colthorpe and Mary Carter.

The next meeting date will be on November 20.

Mrs. J. C. Farris Honored Monday

Mrs. J. C. Farris was honored with a farewell shower Monday afternoon by the Lockett circle of the First Baptist Church Women's Missionary Society in the home of Mrs. M. P. May.

Mr. and Mrs. Farris are moving to Lewisville this week.

Dr. W. C. House Honors Stewards At Turkey Dinner

Stewards of the First Methodist Church were honored with a delicious turkey dinner Monday evening at 7:00 o'clock p. m. by their pastor, Dr. Will C. House, in the lovely new parsonage.

Three tables were laid with white linen cloths and centered with arrangements of yellow dahlias in shallow bowls. Other fall flowers decorated the buffet and the living room.

Mrs. Gordon R. Bennett, chairman of the fellowship committee, was in charge of the arrangements. Miss Ella Temple, Mrs. Edna Bailey, Mrs. L. H. McBride, Mrs. Joe Culbertson, Mrs. D. O. Sauls, Mrs. Brad Rowland and Mrs. J. H. Hudson assisted at the dinner.

Members of the board of stewards attending were: L. H. McBride, chairman, Gordon Bennett, vice-chairman, Fred Carpenter, secretary, Edd Bailey, A. B. Carlton, Joe A. Simpson, A. Hudson, Brad Rowland, Tom Teague, Joe Culbertson, Elmer Feagan, M. T. York, Dr. Q. Don Gould, Jack Hames, Holly Toler, Fred C. Smith and H. A. Johnson.

Places were marked with hand-painted cards.

A short business session was held with the president, Mrs. H. O. Cassle, presiding.

Mrs. A. A. Hackley conducted a program on "Summer Garden Observations." Mrs. J. W. Ezell gave a very interesting report of the beautiful flowers she saw while abroad.

Mrs. Fred Moore Sr., program chairman for the year, gave a brief synopsis of the year's activities.

Those attending the luncheon were: Mmes. A. G. Irwin, W. A. Albritton, A. A. Hackley, R. D. Moore, Joe Culbertson, J. W. Ezell, Alton Clemmer, C. G. Green, Dick Maberry, Paul Fowler, J. P. Morgan, Harold Bonner, M. T. Hudson, P. D. Harkins, Carl Young, J. W. McCrary, Luther Marr, Edd Bailey, J. W. Poe, D. D. Harden, C. P. Yates, R. L. Kite and Miss Ella Temple.

Mr. and Mrs. F. L. Mikeska and daughter, Kay, of Edon spent the week-end with Dr. and Mrs. W. C. Weir.

Mrs. J. W. Ezell and Mr. and Mrs. Clyde Angel spent Monday in Lubbock.

Senior Sub-Debs Hold Initiation Day and Picnic

Senior Sub-Debs held initiation day last Saturday, beginning with a picnic at the city park at 1:00 o'clock p. m. Some of the girls were accompanied by boy friends.

The group then attended the movies. At 4:00 o'clock p. m., real initiation began when the pledges had to wash the sidewalk with their toothbrushes and rode kiddy-cars down the street crying for their "mamas."

Pledges then were invited to the home of Nozik Hassen, where some unusual dishes were served.

At 8:00 o'clock p. m. in the evening the pledges entertained the old members with a party at the home of Wilma Lou Moore.

New members are: Mary Jo Hendricks, Dona Gayle Miller, Elaine Alvis, Joan Johnson, Lavon Stewart and Wilma Lou Moore.

Freshman Class Selects Room Mothers Tuesday

Members of the Freshman Class of Hamlin High School with Mrs. Hodges and Mrs. Blankinship. The group voted to be in charge of a fortune telling booth and game room at the Hallowe'en carnival Saturday, November 1.

Mrs. Madden, Mrs. Rowland, Mrs. Kite, Mrs. Maberry and Mrs. Bennicker were chosen as room mothers.

Cowboys Against
New Mexico Lobos**

New deal of football for New Mexico University will be on display for day night when the revitalized Lobos Hamlin H-SU fans in Abilene Friday the Hardin-Simmons Corral. The game will be played at the Fair Park Stadium.

The Lobos will be riding on a streak of two victories, 20 to 18 win over Kansas State and a 20 to 0 conquest of the New Mexico Aggies. Hardin-Simmons will be seeking its second victory after smashing Arizona 35 to 7 in the first contest beginning their defense of their title.

Al Johnson, of Hamlin, has completed 11 of 27 passes without an interception, will be quarterbacking for the Cowboys. The Hamlin sensation, described by Grantland Rice as one of the greatest backs of the Southwest, is completing his third and final year on the Hardin-Simmons varsity eleven.

**Passes the State
Nurses Examination**

Iva Mae Wallace returned from Austin Friday after passing state examination for nurses. Her plans for future work have not yet been revealed.

She graduated from nurses school in Abilene last spring. She is a graduate of Hamlin High School.

**Freshmen Class
To Hold Rummage
Sale Saturday**

A rummage sale will be conducted by the Freshman Class of the Hamlin High School Saturday to raise money for the class queen.

You are invited to stop by and look at the many bargains. Any donation will be appreciated, it was stated.

**H-SU Dean to Speak
At McCaulley Church**

Dr. Truett Walton of Hardin-Simmons University, Abilene, will preach at both the morning and evening services of the McCaulley Baptist Church, according to an announcement by the pastor, Rev. C. E. Dick.

Rev. Dick recently underwent an operation in the Baylor Hospital, Dallas and is recuperating nicely. Doctors have ordered him to take it easy until November 1, when another check-up will be made. He hopes to resume his regular activities shortly after the first of the month.

**Home Demonstration
Clubs to Make Tour**

Jones County Home Demonstration Club women are going on a county-wide tour October 22. The group will meet south of the courthouse at Anson at 8:45 o'clock a. m. The first place visited will be Mrs. Walter Love's. From there the group will go to Tuxedo, New Hope and Avoca. A paper sack lunch will be spread at Pleasant Valley community center. The people of this community have taken over an old school center and made a nice place for community gatherings, such as the Home Demonstration Club meeting and others. In the afternoon the group will visit Hodges, Goodman, Carpenter's Gap and Union communities.

Anyone interested in seeing the things that have been accomplished by Home Demonstration Club members is invited to go on the tour. You will see homes that have been landscaped, improved living rooms, pieces of refinished furniture, handiwork and many things that you will enjoy and that will make the trip worth while. Make plans today to go on this tour October 22.

Blessed Events

Mr. and Mrs. Willie Gonzales are the parents of a son, born Wednesday, October 8. He tipped the scales at seven pounds.

Mr. and Mrs. John Thomas Hart, formerly of Hamlin, announce the arrival of a son, John Thomas Jr., born Wednesday, October 8 in a Lubbock hospital. Mrs. Lala Hart, mother of Mrs. Hart, is in Lubbock with her daughter and family.

Mr. and Mrs. O. L. Loyd are the parents of a daughter, Linna Faye, born Monday, October 13 at a local clinic. She weighed six pounds and eight ounces.

Mr. and Mrs. Lanksford McCracken are the parents of a daughter, born Wednesday, October 8 in a Rotan hospital. She weighed seven pounds and seven ounces.

Voter—"I suppose it is your great ambition to leave deathless footprints on the sands of time."

Candidate—"Well, no, not exactly—all I want now is to cover my tracks until after the election."

**FFA Green Hands
Initiated Last Week**

Members of the Hamlin chapter, Future Farmers of America, held their annual initiation meeting last Tuesday. Twenty Green Hands out of 22 new FFA members were initiated and new officers elected.

Officers elected are: Donald Young, president; Jack Willingham, vice-president; Alton Kite, first vice-president; Dennis Johnson, as third vice-president; Weldon Townsend, reporter; Joe Ford, treasurer.

Ted Kelly, parliamentarian; George Elder, historian; Gene Westmoreland, sentinel.

The FFA chapter meets the first Tuesday in each month.

Pain by Degrees.

Lawyer (for motor accident victim)—"Gentlemen of the jury, the driver of the car stated that he was going only four miles an hour. Think of it! The long agony of my poor, unfortunate client, the victim, as the car drove slowly over his body."

Announcing!

I am happy to announce that my son, Guy T. White, is now associated with me in the Real Estate business.

Give us a trial and we will do our best to serve you.

THIS WEEK'S LISTINGS:

Five-room home; lovely location; extra good condition; for immediate sale, only \$5,750.

No, this isn't a strip-tease, but just Hulda Cannon, 1947 International Cotton Queen, demonstrating a neat combination of cottons at the Cotton States Jubilee of the Lions International convention in San Francisco, where she won the title.

and Mrs. George Darden. Absent were: Mr. and Mrs. R. L. Miers, Miss Ila Elvens and Mrs. Hallie McFatter who sent gifts.

The following news item should have been in this column last week but came in the mail too late. Mr. and Mrs. Alvis Mayo and children of Grand Prairie were week-end visitors in the home of their parents, Mr. and Mrs. W. B. Mayo.

Old McCaulley High has done it again! Yep, the football boys went over to Blackwell last Friday and defeated Blackwell High by a score of 47-6. It was the first time that McCaulley's goal line has been crossed this year by any team. Anyway the score proved the ability of the home team to snow the opposition under the sod.

A total of 324 bales had been ginned in McCaulley up to last Saturday night, perhaps 40 per cent of the cotton in this part of the country has been gathered.

Mr. and Mrs. Ellis Elvens and children of Fort Worth visited relatives in McCaulley last week.

Levelland was hit hard by a severe hail that caused an estimated \$2,000,000 damage one day last week. We should be thankful even tho' a short crop in these parts.

Mr. and Mrs. Louie Jones and Mrs. L. B. Miers visited parents in Slator last week-end.

Rev. C. E. Dick is back home after undergoing surgery in a hospital in Dallas.

Mrs. W. F. Davidson visited for a week in El Paso with a daughter. Mrs. Laura Woods of Hamlin spent the week-end with Mr. and Mrs. M. Woods and Mr. and Mrs. F. L. Rector.

Mr. and Mrs. W. R. Perryman and family have moved into town, they have rented a six-room house from Romo Brown.

Mrs. O. C. Prather has leased the McCaulley Cafe from W. A. Hemphill and is now operator of same.

Alf Hemphill took a truck load of cattle to Fort Worth Sunday for the purpose of sale.

Charles Ferguson has rented a 160-acre farm from Ray Grisham of Abilene. The farm known as the Akins place joins the town site on the west.

Frank McCasland from Fort Worth visited his son and family Mr. and Mrs. Tom McCasland last week-end.

It's a difficult job to get all the news in the fall of the year due to the fact that all the folks are on a dead run, so it's 30-til' next week.

Mrs. Sam Hanna is seriously ill in a Rotan hospital following an operation. Her family was called to her bedside Tuesday.

Mr. and Mrs. Jerry Waggoner have returned from their wedding trip to Denver, Colorado. They also were unable to find living quarters and unable to enter college there.

Mrs. J. H. Burkett returned home Monday after a week in Orange with her son and family.

Mr. and Mrs. H. O. Cassle Jr. and daughter and Mr. and Mrs. W. O. Schaffer, all of Odessa, visited in the home of Mrs. B. S. Ferguson last week.

R. L. Harris and Miss Emma Harris are visiting relatives in Dallas this week.

Week-end guests of Mr. and Mrs. R. N. Fairley were her mother, Mrs. R. T. Oldham Sr. and Mr. and Mrs. W. W. Collier Jr., all of Fort Worth.

Mr. and Mrs. Art Carmichael, Mr. and Mrs. W. C. Russell and Rev. and Mrs. John H. Osteen went to Mason Monday in search of some good hunting grounds.

Eugene Brondan has returned to Odessa where he is employed by a pipeline company after spending two weeks vacation with his mother, Mrs. W. B. Dobkins.

Mr. and Mrs. C. W. Chism and son, Ray, and Mr. and Mrs. Jack Ziegler of San Rafael, California visited in the W. E. and F. M. Crow homes last week.

Mr. and Mrs. W. H. Collins of Brownfield spent the week-end with their sister, Mrs. Vera Nobles.

Mrs. Cleo Barnett spent the week-end in Brownfield with her husband.

Mrs. D. F. Park has returned home after a visit in San Antonio with her daughter, Mary Dell Park.

Mr. and Mrs. Joe Culbertson plan to attend the A. & M.-T. C. U. football game in Fort Worth Saturday.

Jimmy Irwin's Father Dies In Colorado

Mr. and Mrs. A. G. (Jimmy) Irwin left Monday night for Clifton, Colorado to attend the funeral services for his father, W. M. Irwin, who died there Friday night after a lingering illness.

Mr. Irwin, 70, had been in failing health for the past several years. His son, Jimmy, and family attended the golden wedding anniversary celebration of Mr. and Mrs. Irwin recently.

Funeral services were to have been held at Clifton Wednesday. The service was delayed awaiting the arrival of a nephew from Virginia. Interment was to be at Grand Junction, Colorado.

Survivors include his widow, 10 children and a large number of other relatives.

TRUE STORIES of WEST TEXAS

By N. H. Kincaid, 2618 History St., Abilene, Texas—Copyrighted

OUTLAWS OF THE CATTLE COUNTRY.

When John T. George left the spring round-up on his ranch in King County to chase a lobo wolf, he was expressing the cattleman's hatred of that cunning outlaw. As the lobo cut back through the herd he was joined in the chase by three of his cowhands, Al and Joe Jay and George Goodall.

"We roped that lobo time after time but she cut the rope in two with her teeth, like cutting a thread with a pair of sissors," Joe Jay recalled over half a century later.

But the cattleman persisted and eventually the wolf was cornered. George Goodall had tightened a rope around her neck before she could snap it and, running full speed, had thus choked her down. Mr. George wanted the honor of killing her; she had been living too long on his young calf crops!

A lobo requires a big calf every other day in the summer time, and often two make the kill together. They are as detrimental to a herd of cattle as in an epidemic. Thus the cattlemen of West Texas put a price on the lobo's head and after he became the most hunted outlaw of the great plains.

Yet a lobo wolf is practically immune to catching by traps or poisoning. But after a heavy series of losses one winter Al Jay, working on the George Ranch, vowed to break this hoax. Wearing his gloves throughout he took some fresh meat, inserted poison with a knife and fork and placed it in a clean, scalded bucket. He then rode to the dead calf and, remaining on his horse, dropped the poisoned meat beside it with the fork and again rode away, never touching the meat or bucket with his hands nor the ground with his feet.

And Al succeeded. Four lobos were killed from one calf by this method.

"From 50 to 75 miles below the cap-rock of the Plains was the great known lobo wolf breeding ground in the world," said Joe Jay. "And the wolves seemed to congregate on the George, Pitchfork, Eight and the Matador Ranches during the '60s and '70s."

But the lobo is a lone wolf and seldom hunts in a pack. Once there were 36 reported to have been seen together. This was most unusual, for if he chose companions they were usually limited to two or three. And he prefers to make his kill in an open flat or on a bald hill and, like the cowboy himself, the lobo always chose the good veal to any other meat.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tea, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

CARDUI
SEE LABEL DIRECTIONS

W. H. Pickron Appointed To Regular Army

First Lieutenant W. H. Pickron Jr. was among those appointed by President Truman Friday to the regular Air Force, retaining his commission.

Lt. Pickron, son of Mr. and Mrs. W. H. Pickron, has been in the Air Corps since March 1941, receiving his wings and commission at the age of 19. He served in the Pacific Theatre during the war and has been stationed at Barksdale Field, Shreveport, Louisiana for several months.

Approximately 5,900 officers were appointed by the President, making a total of about 28,000 officers who were transferred to the regular Army Air Force since the end of World War II.

Lt. Pickron is to be commended for his appointment as the competition is heavy in this particular field of army work with so many air-minded young men desiring to continue their army study.

Guest Organist.

Mrs. Ralph Worley was guest organist at the services both morning and evening at the First Baptist Church last Sunday. She is the former Maxine Brundage.

FORTY-SECOND YEAR—NUMBER 50

HAMLIN, JONES COUNTY, TEXAS, FRIDAY OCTOBER 17, 1947

SECTION II—Four Pages

Southwestern Farm Market Prices Are Very Unsteady During The Past Week

Spots or strength and weakness hekkered southwest farm markets last week in very uneven trends, according to a report received by The Herald from the Production and Marketing Administration or the United States Department of Agriculture.

Wheat and oats registered rather sharp advances for the week. Corn hardly recovered early losses as

continued favorable weather aided crop prospects. Sorghums fluctuated widely but closed Friday unchanged from a week earlier, at around \$3.65 per 100 pounds. Wheat stood at \$3.02½ per bushel for base grade.

Millfeeds and oilseed meals declined during the week, at most other feeds gained. Hay moved more freely at slightly higher prices for good quality. Peanuts found slow de-

HERE IS A 4-UNIT DIESEL FREIGHT LOCOMOTIVE NOW OPERATED BY 2 MEN (1 ENGINEER AND 1 FIREMAN)

2 BRAKEMEN AND 1 CONDUCTOR COMPLETE THE CREW OF THIS TRAIN [One brakeman usually rides in the locomotive in freight service]

—BUT THE UNION LEADERS WANT 15 EXTRA "SITTERS" ON THIS TRAIN . . . 3 ENGINEERS, 3 FIREMEN, 6 BRAKEMEN AND 3 CONDUCTORS . . . TO GO ALONG FOR THE RIDE AT FULL PAY!

It's to your interest to know about this proposed
feather-bedding!

For sheer feather-bedding, this mock work proposal takes the cake. But it is only one of 44 "rules" demands filed by the leaders of the operating unions. If all those demands were granted, they would cost the railroads an added BILLION DOLLARS A YEAR.

Increased Wages, Too

On top of these "rules" changes, the leaders of the operating unions have filed an additional demand for a wage increase of over 20 per cent. If granted, this would be an added cost to the railroads of \$400,000,000 a year.

\$468,000,000 To Non-Operating Employees

In addition to this, an Arbitration Board has just granted a wage increase of 15½ cents an hour to the million employees represented by the 17 non-operating unions. This will cost the railroads \$468,000,000 a year.

Where Will The Money Come From?

Where will all the money come from to pay these increases? They total several times as much as the railroads made in 1946 or will make in 1947.

In July, the railroads filed an application for increased freight rates to close the gap which then existed between wage and material costs, and railroad revenues. Since then it has been necessary, because of further increases in wages and material costs, to supplement that petition and to ask for an additional freight rate

increase. No other course is open.

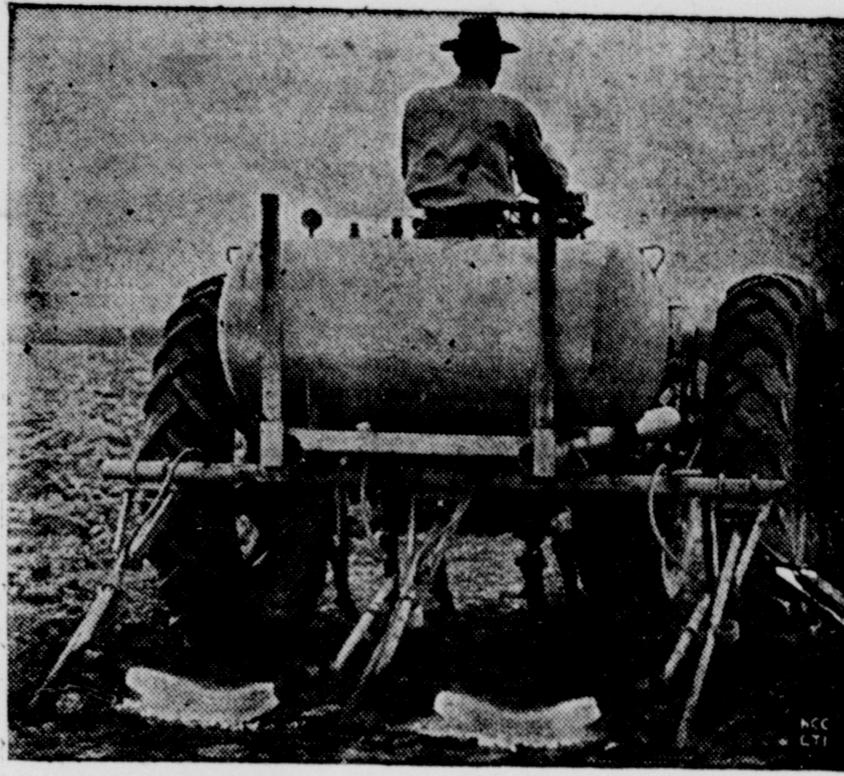

Railroads Do Not Run For Employees Alone

Railroads are operated for the benefit of not one, but several groups—shippers, passengers, employees, stockholders, and the general public. The interest of all must be served—and that cannot be done unless the railroads can operate efficiently and economically, and unless they are allowed to earn sufficient revenue to provide the kind of transportation service this country MUST HAVE.

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.

FLAME CULTIVATOR HELPS FARM WORKER

Mechanized cotton farming has brought the flame cultivator which sears cotton's weed enemies and frees farm workers from the laborious task of cleaning out cotton rows in summer heat. With the harvester, it gives the cotton farmer invaluable assistance during the two peak labor periods of the cotton production cycle—the cultivation and harvesting phases.

dozen for best candled eggs and New Orleans gave 56 for fresh No. 3 extras. Denver took best current receipts at 43 to 47.

Cattle varied some during the week but closed mostly steady to strong, with Texas cows and calves the principal exceptions. Medium and good cows sold generally from \$14 to \$16 at Texas markets, where common and medium kinds ranged largely from \$12 to \$14 and canners and cutters from \$8.50 to \$11. Other southwest terminals paid around \$13.50 to \$18 for common to good cows. Canner and cutter cows also brought \$9.20 to \$12.50 at Oklahoma

City and Wichita and \$11 to \$13.50 at Denver.

Slight daily ups and downs left hog prices largely steady to 50 cents higher for the week. San Antonio set a new all time high of \$28.50 but closed a little below the peak. Closing top prices on butcher hogs ranged from \$29 to \$29.50 at other southwest markets. Sows brought mostly \$25 to \$27 and pigs \$20 to \$24.

Slaughter lamb suffered losses of 50 cents to \$1 at most southwest terminals, but San Antonio remained steady to strong. Other classes held mostly steady. Medium and good fat lambs brought \$18.50 to \$19 at San Antonio and \$18.50 to \$20 at Fort Worth. Good and choice kinds sold around \$21 to \$22.50 elsewhere.

Time for Mailing Christmas Gifts To Overseas Points

Hamlin area folk were reminded this week by the Adjutant General that Christmas packages for Army personnel stationed overseas should be mailed between October 15 and November 15. Friends and relatives of men overseas are urged to keep this in mind.

It was pointed out that if the suggested mailing period is used, there is more definite assurance that the Christmas packages will arrive just before or during the holiday season.

"Wiggie" Hamric Head Drum Major At Orange High

"Wiggie" Hamric, daughter of Mrs. Eunice Hamric of Hamlin, has been elected head Drum Major at Lutcher Stark High School in Orange, according to word received here by friends.

Miss Hamric was in the contest with eight twirlers who were judged by three adults. Five points were given for showmanship, personality and strutting and "Wiggie" received 13½ points.

She and the next highest twirler will work out some routines together including a duel fight effect.

Good Roads Official Says State Needs to Expand Highways

Color movies and a collection of charts and maps are telling the story of Texas roads at the State Fair of Texas at Dallas.

The exhibit is sponsored by the Texas Good Roads Association.

"Most engineers say that 3,000 vehicles per day is the maximum efficient volume for a two-lane highway," Colonel Ike Ashburn, executive vice president of the association, declared. He added: "Texas now has 400 miles of two-lane highways carrying more than 4,000 vehicles per day."

Safeway's Meat Counters are Open on Tuesdays

(and every day except Sunday)

HERE IS WHY:

1. Many people need fresh meat in some form every day as prescribed by their physicians for specific health conditions.
2. Certain creeds and religious faiths may observe a day other than Tuesday as their meatless day.
3. Many consumers may find it necessary to buy their meat on Tuesday for use on Wednesday.

In having meat for sale every day Safeway is simply fulfilling its obligation to serve the needs of all customers.

In addition, Safeway believes that an important contribution will be made to cutting down waste by maintaining an even flow of perishable foods from producer to consumer. For its part, Safeway intends to wholeheartedly cooperate with President Truman's program by doing everything possible to eliminate spoilage and waste in its stores and warehouses. Closing the stores or withholding food from sale on any business day would simply mean an extra storage period for perishable foods which in turn would increase the amount of waste and spoilage.

Two effective ambassadors for the cotton industry were the Maids of Cotton for 1946 and 1947. The 1946 Maid (left) was Gwin Barnwell of Castonia, N. C., while the 1947 Maid was Hilda Seay of Memphis, Tenn. The National Cotton Council inaugurated the Maid of Cotton program in 1939 to stimulate interest in cotton.

in selection of the herd boar are: (a) Individuality or outward appearance; (b) ancestry or the inherited ability to produce strong, healthy and desirable offspring; and (c) performance record or the test of production.

Q.—After rabbits have been mated, is it advisable to have the does rebred?

A.—Yes. The rabbitry at a famous feed concern recommends that rabbits be mated and the same pair remated five hours later. Then, because of the possibility of does going through a period of pseudopregnancy (false pregnancy) all does are rebred again on the eighteenth day.

Q.—My five-month-old capons are developing breast blisters. These capons have been raised on wire since they were four weeks old. Is there any way to get rid of these blisters, and will they affect the quality of the meat?

A.—These breast blisters are no doubt caused by irritation from the wire floors. Raising the birds on slat floors will prevent most of this trouble. But ordinary breast blisters do not affect the quality of the meat although they do hurt the appearance of the carcass when dressed.

Automatic Stock Phosphorus Feed Plan Explained

factory method of supplying phosphorus to cattle. We understand that the machine was developed by Otto B. Schoenfeld, who is with a mineral supplement concern in Houston.

Phosphate fertilizer, applied to pastureland, and the use of mineral boxes have been very satisfactory in many areas in Texas—but the automatic method seems to top the list.

The limiting factor on the automatic method, Stanley points out, is that the stockman must have a controlled water supply to put the dispenser in action. The phosphorus is mixed in with drinking water, and supplied to the cows in that way. The water must enter the machine and flow through it into the troughs. The machine adds phosphorus in the proper amounts.

Beef cattle specialists of the Texas A. & M. College Extension Service are talking a lot about mineral supplements now, County Agent H. C. Stanley Jr. says.

Big question seems to be the best method for putting out phosphorus which, you know, is the mineral that cattle need most as a supplement to feed and forage.

A. L. Smith, Extension beef cattle specialist, believes that an automatic mineral dispensing machine that has been developed during the past 10 years is actually the most satis-

Farmers Interested In Wheat Yield Boost

Each of Jones County's 800 wheat growers will doubtless be interested in work done by a county seed improvement committee in Taylor County; work that is raising small grain yields by the bushels an acre.

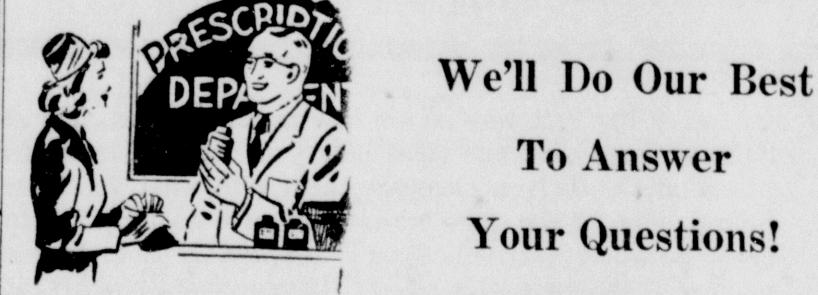

Committee members credit the work of the seed improvement organization for adding an extra \$140,000 to the income of the Taylor County wheat growers this past season.

This year, reports Elmo Cook, Taylor County agent, Westar and Wichita wheat varieties and Fultex oats are popular among small grain growers and the varieties have been brought into the county for foundation seed.

No Pay-Off.

The old countryman was seeing the sights of London, and at a Labor Exchange he saw a sign on a door—"Women's Exchange." Entering, he found a woman clerk glaring at him from behind a counter, and he asked—"Is this the Women's Exchange?"

"Yes," came the curt reply. "And are you the woman?" "Yes." "Then I'll stick to Martha!"

Fire Prevention Week Recalls Big Losses on Farms

National observance of Fire Prevention Week has brought out the startling fact that 100 farm fires occur in the United States each day, killing 10 farmers, according to H. C. Stanley Jr., Jones County agent.

Texas A. & M. College Extension Service is cooperating with the National Fire Protection Association and the U. S. Department of Agriculture, in an attempt to cut down this loss of life on farms in Texas, and is urging farm people to guard themselves and their families against fire.

Agent Stanley asks the pertinent question: What are the most dangerous causes of fires?

The careless smoker still is Public Enemy No. 1, on the strength of his smoking in bed and in the barn and discarding lighted cigarettes and matches. The thoughtless housewife ranks second on the list, by continuing to stack papers, magazines, old clothing, broken toys and discarded furniture away in the attic, closets, basement, the barn and other buildings.

Dangerous storage of gasoline and kerosene, and the use of flammable cleaning fluids take a high toll of life and property.

Children playing with matches cause 26,000 fire annually. Dirty and improperly operating lanterns are a big threat, as well as the dust and cobwebs around motors, appliances and frayed electric cords.

STOP DOSING YOUR STOMACH FOR CONSTIPATION . . .

WHEN constipation hangs on and you have that listless, "half alive" feeling chances are it's not your stomach but your intestinal tract that's at fault. Sluggish intestinal muscles permit waste to accumulate . . . gas is formed and often you feel miserable, nervous and out of sorts.

For real relief . . . take the new, improved, ADLERIKA the Tone-Up laxative. It moves waste quickly but gently to relieve constipation and gas. You'll enjoy a new feeling of pep and vitality when your digestive system is in perfect order. Try ADLERIKA today and you'll learn why over 20,000,000 bottles have been sold. Caution: take only as directed.

ADLERIKA
THE TONE-UP LAXATIVE

Rid Your Car of Faulty Brakes and Lights

By Colonel Homer Garrison,
Director Department of Public Safety.

Fix your lights so that you can be seen by the other fellow and your brakes so that you can stop, and you'll be all right Hamlin and area motorists are reminded this week under the new traffic law, which went into effect September 5.

You must have two burning headlamps and a burning red tail light. The only thing which every motorist has to have after January 1, 1948, which he may not have now is a little white light over the rear license plate. Formerly, reflectors were enough on trailers of all kinds, but after January 1 a burning red tail light is required for any vehicle whatsoever on the road. Trucks and busses under 80 inches wide must have in addition to other lights a stop light and two red reflectors on the rear.

Trucks or busses over 80 inches wide or having an actual or registered gross weight in excess of 3,000 pounds must have the following lights besides the headlamps, tail light, license plate light, stop light and two red reflectors:

- 1—Amber clearance light at front outermost top corner on each side.
- 2—Red clearance light at back outermost top corner on each side.
- 3—Red side marker near rear on each side.
- 4—Amber side marker near front on each side.
- 5—Amber side lamp near front on each side.

Orchard Pruning Helps Fruit Yield Declares Stanley

6.—Red side lamp near back on each side.

When disabled upon the highway, all types of trucks, busses and trailers must have three properly spaced warning devices such as pot flares, electric lanterns and the like.

All brakes, must be capable of stopping the vehicle going 20 miles per hour within a distance of 30 feet on a smooth, level surface and must be maintained in good working order so as to be applied evenly on all wheels. Any type trailer having an actual or registered gross weight in excess of 3,000 pounds must have a separate set of brakes thereon.

Reynolds New Soil Supervisor for South Swedonia

An election of a District Supervisor for sub-district 4 of the California Creek Soil Conservation District was held at Hamlin, Tuesday of last week. M. S. Reynolds, group leader of the South Swedonia Conservation group, located seven miles southwest of Hamlin, was elected District Supervisor. Reynolds succeeds Tarlton Willingham.

Reynolds has been a conservation farmer for sometime. Prior to making his first application to the California Creek Conservation District for assistance, in November 1943, two of his farms had been terraced. He has practiced contour cultivation and crop rotation. His request was for assistance in checking the terraces for minor repairs and using other practices for soil and moisture conservation. Since November 1943 he has dug a stock pond, planted soil building crops of clover, practiced pasture deferment and pasture rotation, corrected the old terraces and built new terraces on a farm that he rents. Next year Reynolds will increase the acreage under clover and also plant some acreage to vetch and oats. Reynolds now has three farms under agreement with the California Creek Soil Conservation District.

Willingham has served as District Supervisor for sub-district 4 since the inception of the District in 1941. During this time he has given freely of his time to district work as well as applying sound conservation practices to his own land.

Two Hamlin Girls Pledge Tech Club

Jane Adams and Phyllis Richardson of Hamlin are pledging Las Viverachas, women's social club at Texas Technological College in Lubbock.

Miss Adams is the daughter of Mr. and Mrs. Seth Adams and Miss Richardson is the daughter of Mrs. W. D. Stahl.

ing the winter, cut down erosion and put some added life into the soil. Another job coming up is removing unhealthy trees and replacing them with new ones.

That old pruning job, at best, is a slow job, Stanley says, especially in large orchards. But he says it's a lot easier to remove some of those fruit buds by pruning them than it is to pull them off each individual tree next spring after the fruit was reached the size of a 25-cent piece.

H. C. Stanley Jr., county agent an extension horticulturist at Texas A. & M. College could make a pretty tough work schedule for you in October. Right now he wants all you orchardists to take a look ahead and start figuring.

There's the job of pruning that's coming up—and that one will start as soon as the first frost comes along. Then there's your cover crop,

which will blanket that ground dur-

British Editor On "Hometown" Editor Program Saturday

Hamlin area radio listeners have a treat in store for them Saturday when Charles Eade of London, England discusses on the Hometown Editor program "Post-War Problems of a British Newspaper Editor." He is editor of the London Dispatch and the program is over WFIA at 12:30 o'clock p. m.

The Hamlin Herald is one of the Texas newspapers frequently discussed on the broadcast.

Addressed exclusively to Hometown Editor Texas listeners, Mr. Eade will tell how British newspaper editors have developed a new style of news condensation to overcome the handicap of shortages in newsprint. He will also point out that British newspaper readers and their tastes, when it comes to en-

joying a good news or sports story, are remarkably similar to Texas readers.

Mr. Eade's paper has an amazing circulation of almost 3,000,000 throughout the British Isles, Scotland and Ireland. Bert Haling, radio's Hometown Editor, reads items often from The Dispatch with favorable comment from Texas listeners.

Mr. Eade was press and radio advisor to Lord Louis Mountbatten in the Pacific Theater of War, makes frequent talks via British Broadcasting Company, and has just compiled the former Prime Minister Churchill's war time speeches. His previous appearance on the Hometown Editor series was during the London blitz, when he gave a dramatic account of publishing a newspaper under enemy fire.

Texas' place in the national picture of milk production has changed little in the past five years.

H-SU Instructor On Anson Paper's Staff

Homer Hutto, journalism instructor at Hardin-Simmons University, Abilene, has joined the Western-Observer at Anson as associate editor. Hutto is a native of the Neindah community, a member of a pioneer family of that area. Prior to the war, he published a paper at McCauley and also at Leuders.

That Was All!

He was up before the orderly officer, charged with using insulting language to his sergeant.

"Please, sir," he protested, "I was only answering a question."

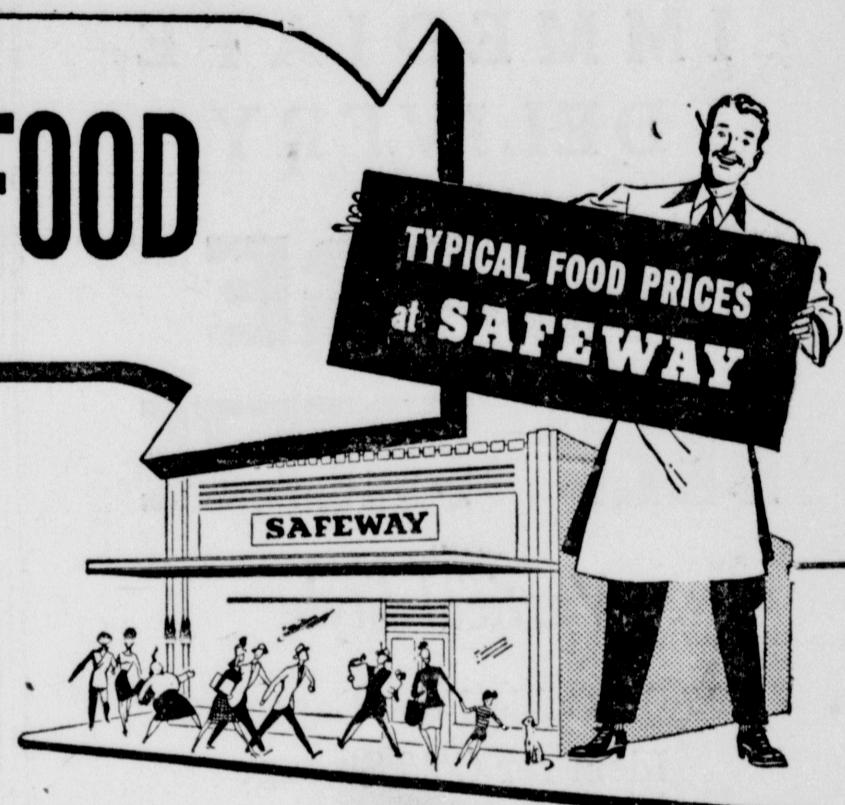

"What question?" snapped the officer.

"Well, sir, the sergeant said, 'What do you think I am?' and I told him."

60 WAYS TO SAVE ON FOOD

Of course the best way to see how much you can save at Safeway is to visit our store near your home. Check the prices on the shelves. Compare them with what you have been paying for the same brands, the same quality. Just to give you an idea of what you'll find, we've listed here a number of representative prices. These are values picked at random from every section of the store. We believe they'll show you why folks all over town are saying, "You get more for your money at SAFEWAY."

Pipers Face Stamford In Annual Grid Affair

Greyhounds Ride Over Locals, 38-6, First District Go Bulldogs Favorites To Win Tonight

Defeated by lop-sided scores in their first four encounters this year, the Hamlin Pied Pipers face another steam-rolling foe tonight on the turf of Piper Stadium, as they clash head-on in their annual classic with the Stamford Bulldogs. Kick-off is set for 8:00 o'clock p.m.

Last Friday night, Stamford walloped the Haskell Indians 38-6, to push the Indians down in the cellar along with Hamlin and Albany. At the present time it appears these latter three teams will fight it out to keep off the bottom of the heap.

A large crowd of Stamford fans is expected to accompany the Bulldogs here for what they confidently expect to be an easy victory.

The Pied Pipers have several men of championship caliber but the team seems to be unable to get going against the high type of opposition they have encountered so far. Some of the powerhouses yet to be met include Colorado City, Munday and Anson, all conference foes with the exception of Colorado City.

Greyhounds Outrun Pied Pipers.

Fullback Terry Rice led the unbeaten Throckmorton Greyhounds Friday night at Throckmorton, as they romped over Hamlin 33-6. Rice took the opening kick-off and raced 30 yards for a touchdown.

A 40-yard pass from Whitaker to Bingham scored the second touchdown and Rice scored again on a 60-yard off-tackle jaunt. Cecil Ingram took the ball for 80 yards late in the first period to score and bring the total for the period to 26-0.

Ingram and Whitaker each scored again in the second quarter to end scoring parade for Throckmorton. Hamlin's lone touchdown came in the third period when Jack Owen, quarterback, plunged over right guard for two.

The lineups were as follows:

Hamlin	Pos.	Th'mtn
Goodgame	L E	Bachman
Criswell	L T	Halbert
Phelps	L G	Bird
Kite	C en.	Pirtle
Hill	RG	Noles
Adams	RT	Cook
Black	RE	Boyd
Owen	QB	Whitaker
Townsend	RH	Benham
Johnson	LH	Ingram
Young	FB	Rice

Score by periods showed the following:

Hamlin	0 0 6 0—6
Throckmorton	26 12 0 0—38

McCaulley Eagles Defeat Blackwell With 46-6 Score

McCaulley's fighting Eagles again stretched their wins to 12, by smothering the Blackwell team by a score of 46-6.

The Eagles showed power in every department. Houghton again was the big threat and carried five times to pay dirt. The longest run was on a pass interception by Houghton to the 10-yard line, that was carried out all the way.

Gibson, quarterback, and Hicks, halfback, made the other jaunts on across the double stripe. Extra points were made on passes to Waltrip, Lawlis and a fake pass by Gibson.

Lone counter by the Blackwell team was made in the fourth quarter.

Again every player on the squad saw plenty of service. Second stringers were in action long enough to score and also to be scored upon. Those 70 and 80 pounders did a good job in the game.

S-Sgt. R. L. Cohorn Has Broken Leg

Mr. and Mrs. C. C. Cohorn have received word that their son, S-sgt. Rogie Lee Cohorn, has received a broken leg and was doing nicely until he had a relapse with cellulitis in that injured leg.

Sgt. Cohorn has served two years in Germany and friends are wishing him a speedy recovery and a return home.

F. & M. Nat'l Bank Deposits Soar Top \$4 Million Mark

For the first time in the long history of the institution, the Farmers & Merchants National Bank of Hamlin now has deposits of over \$4,000,000, president Tate May announced this week. Deposits at the close of business on October 6, the date the call was made by the Comptroller of the Currency, totaled \$4,017,782.68.

Deposits on June 30, the date of the last call, were \$3,875,772.67, a gain of \$142,010.01. May stated, showing the bank with a very substantial growth the past few months. Deposits at the close of business at December 31, 1946 totaled \$3,588,078.65.

Loans and discounts on the present call totaled \$778,862.66, a slight drop from \$784,795.04 recorded on June 30.

Capital stock is \$40,000 and surplus is \$30,000. Undivided profits are \$36,840.93.

The condensed statement is carried elsewhere in this issue and the complete statement will be published next week.

The Style Mart To Open Here On Saturday

Announcement was made Tuesday that The Style Mart, a ready-to-wear and accessories shop, will open in the building next door to the City Hall Saturday morning at 9:00 o'clock p.m. Miss Pearl Hudson, Mrs. W. C. Matchett and Mrs. A. Hudson, all well-known in this community are the owners and proprietors.

Open house will be held all day Saturday from 9:00 o'clock a.m. until 9:00 o'clock p.m. Everyone is invited to visit the new dress shop during these hours.

The new shop is going to be very attractive with the new modern front and large plate glass windows. Furniture and fixtures are being installed.

Miss Hudson, who is well acquainted with buying and selling of ladies clothing, will be manager. She promises that the store will feature many nationally-known brands of clothing. Hosiery, lingerie, gloves, bags, etc. will be carried from the best known manufacturers, it was stated.

Methodist W. S. C. S. Begins Clothing Drive This Week

Members of the Women's Society of Christian Service of the First Methodist Church voted Monday afternoon to sponsor a clothing drive for the needy in the European countries.

If you have some good clothing that you would like to contribute to this worthy cause, you are urged to bring them to the Harris Electric Shop on Central Avenue, or telephone 79 if you cannot take the articles to the shop and someone will pick them up.

You are asked to be sure that the clothes are clean, for sanitary reasons, as they cannot be accepted and shipped overseas otherwise.

"Your cooperation will be appreciated," the ladies stated.

First Methodist Quarterly Meet Here On Sunday

Dr. Will C. House, pastor of the Hamlin First Methodist Church, has announced that Rev. Orion W. Carter, superintendent of the Abilene District of Methodist Churches, will preach at the 11:00 o'clock a.m. hour at the First Methodist Church Sunday morning and immediately following that service, the second session of quarterly conference will be held. All members are urged to attend.

Dr. House will be in the pulpit at the evening service.

WHILE JUDGE L. M. Chism, of Shackelford County (extreme right), looks on, Dr. George W. Cox, state health officer, signs approval of the first application for hospital construction under new State

Hospital Plan which is made possible by Federal assistance. Shown with Dr. Cox and Judge Chism are J. Cartering, mayor of Albany and Miss Ollie Clarke, manager of the Albany Chamber of Commerce.

New Tests for Jones, Round Top Test Deepens

Highway 180 East Of Anson to Be Improved Soon

United States Highway 180 from Anson, west to the Fisher County line, at a point near McCaulley, has been completed and is open to the traffic. This is a fine stretch of road and will be of great benefit to east-west traffic.

County Judge Roger Garfrett stated that with one or two exceptions it would be necessary to obtain an additional 10 feet of right-of-way on each side of the present ahead for the improvement of this stretch of road, one of the roughest spots along the entire highway from Dallas to El Paso. Highway Department officials expect to spend approximately \$500,000 on improving the road and say it will be one of the best in Texas.

Right-of-way deeds have been secured for improving 180 from Anson, east to the Jones-Shackelford County line, and plans can now go route. Commissioners Court recently voted to pay on the same basis as they did on the stretch west of the county seat. They will pay landowners on the basis of \$50 per acre for cultivated land and \$35 per acre for pasture land and to rebuild the fences in as good or better condition than they are at the present time.

2,158 Bales of Cotton Ginned This Season In Hamlin Already

A survey Wednesday morning revealed that 2,158 bales of cotton have been ginned in the two Hamlin gins this season.

Producers Gin reported a total of 250 bales and Farmers Cooperative 1,938 bales.

This is about equal to the total crop ginned here last year.

A large amount of the crop is yet to be gathered, although an estimate of the per cent still in the fields was not available.

First Baptist Church To Host District 17 Annual Convention on October 23-24

The meeting opens at 10:00 o'clock a.m. Thursday morning and continues through the day. On Friday services open again at 10:00 o'clock a.m. and will adjourn during the afternoon following a sermon by Dr. Eli A. Fuller, president of Southwestern Baptist Theological Seminary at Louisville, Kentucky.

The complete program follows:

Thursday, October 23—

10:00 a.m.—Song Service—James Frost.

10:10 a.m.—Welcome—John Osteen, pastor of the Hamlin First Baptist Church.

10:15 a.m.—Introduction of the Program—Rev. Miles B. Hays.

See BAPTIST on Page 8

Dr. J. F. Hocott To Head Staff of Memorial Hospital

Unbeaten Teams Clash on Local Field Last Night

To Officially Open Building Before Christmas

Many Rooms Being Furnished Grouply

Two undefeated teams were to have clashed at Pied Piper Stadium Thursday night. Hamlin's Mighty Mice were to square off against the Anson Tiger Cubs and a large crowd was expected to attend.

The Mice are undefeated, having trounced Roby 27 to 0, Merkel 40-0 and Stamford last Thursday night, 47-25, with practically every boy on the squad getting into the game at sometime or other. Anson beat the Stamford team 37-6 and Albany 24

to 0.

Next Thursday night the Mice journey to Stamford to engage the Stamford junior team in their second game.

The Mice haven't lost a game in two years and expect to again win the championship this year.

Before the main game and at half-time the Hamlin fifth grade will play the Hamlin sixth grade. The sixth won last week, 12-0.

Joe Allen Dean and Lucas Bryson are outstanding backs for the Mice and have made the most points. Outstanding linemen are Troye Hargrove and James Jenkins.

The Mighty Mice led Stamford 49 to 6 at the half last week and with their B team playing most of the last half the Bulldogs pushed over three more touchdowns.

Kenneth Holloway Wins Second In State Fair Show

A Hamlin FFA member, Kenneth Holloway, was among the top-place winners in the State Fair's Junior Dairy Show at the judging last week. His Jersey heifer, Cameo, took the second place in her class. Holloway left Wednesday to accompany her to the national show in Columbus, Ohio, where he will also be entered in the judging contest.

Another Jones County boy, Elton Birgham, former Hamlin FFA member, won first in his class of milk cows with Rosita and won the championship with his Aberdeen-Angus and had a Hereford that placed third.

Holloway and Antonio Gonzalez, another local FFA lad, showed some barrows in the swine show, with Holloway winning fifth and sixth on some Hampshires. Gonzalez didn't place, but both boys sold their porkers, receiving 33 to 34 cents per pound.

James Stuart of Roby won the reserve champion honors for his barrow.

Gospel Meetings to Begin Sunday at the Celotex Community

J. C. Scott, minister of the Hamlin Church of Christ, will be the evangelist during the series of gospel meetings beginning at the Celotex community house Sunday, October 19, and continuing through the following Sunday, October 26.

Lewis Hogue will be the song director for these services.

Services each night during the week will begin at 7:30 o'clock p.m. and on Sunday night at 8:00 o'clock p.m.

"You are invited to attend these series of gospel meetings. Sermons direct from the Bible."

Mrs. Clyde Huff To Work Again At Malouf Store

Mrs. Clyde Huff will again be associated with the Malouf Department Store, beginning her work on Wednesday, October 15. Mrs. Huff formerly was employed as buyer for that store before she and Mr. Huff went into the laundry business. She will leave for Dallas and Fort Worth October 19 to attend spring markets and will make purchases for fall and holiday season.

Fisher County's annual County Fair will be held in Roby on October 30 through November 1. L. E. Turville, county farm agent, is in charge of awards division of the Fair and of securing judges for the Fair shows this year.

W. L. Stangel, head of the Animal Husbandry Department, Texas Technological College, Lubbock, will be the sole judge of the livestock show. Tom Wade, a well-known horse breeder of Sweetwater, will judge the horse show on Saturday, November 1. L. G. Rich, head of the Agronomy Department, John Tarleton College, Stephenville, will judge the crop show.

An entry fee will be charged on all livestock and poultry and must be turned in with the entry form, with the entry fees in each particular show division to be paid back as premiums in that particular division. Ribbons and prize money will be given to show winners this year.

The Fair is being financed by advertising in the Fair catalog, which is being distributed to rural boxholders in the county, and to livestock and swine breeders in the surrounding communities. More than 1,500 copies have been printed for distribution and included entry blanks which can be detached and mailed back to the secretary of the Fair Association, Dick Martin at Roby.

Besides Martin, other Fair Association officials who are heading

cott is already on the search for an associate partner to join him here as soon as possible it was stated. There are four rooms in the hospital especially built to accommodate two doctors. There may be some delay in getting medical equipment, but every article does not have to be on hand before opening. It is possible that the hospital will be officially opened before Christmas the hospital spokesman furnished.

Room Furniture Furnished.

It is important for every person in the Hamlin territory to know that every single thing about the Hamlin Memorial Hospital is a gift from someone. The rooms equipment is one outstanding feature and thus far the following have signed up to furnish a room or rooms:

Mr. and Mrs. J. B. Terrell room, F. & M. Bank, kitchen.

Hamlin Rotary Club, room.

Mr. and Mrs. T. A. Jean, room.

F. & M. Bank, private room.

First Baptist Church, room.

Veterans of Foreign Wars, reception room.

First Methodist Church, room.

Rev. J. A. Young, room.

Mr. and Mrs. George Malouf, room.

Mr. and Mrs. Bowen Pope, business office.

Barrow Furniture Company, venetian blinds.

"Up to Wednesday there only remains to be furnished three private rooms, the nursery and two doctor's offices," a board spokesman said.

"There are many items to be furnished, but they will be minor and name plates will be hard to attach. Now there is a place, yet, where you can help. Do it while you have the chance. It seems it should be felt a duty by every family to have a part in making this hospital dream come true. For \$50 is mighty little to put into your own hospital, but that much will give you a feeling of ownership and finally mean a good investment and saving on several lines."

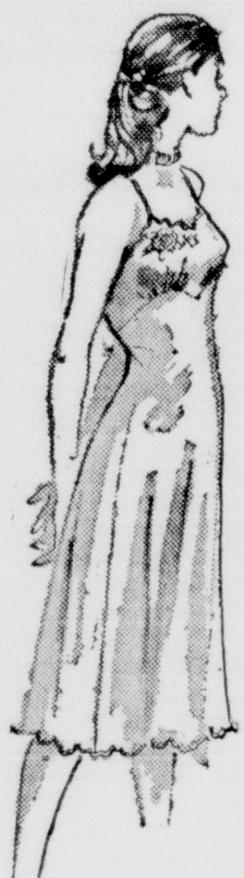

It is going to be mighty fine to have doctors, nurses and hospital rooms nearby, instead of having to travel 20 to 40 miles through cold, snow, rain darkness to get medical help. Many have said "we wait." Now don't wait—if you have not taken out membership, please do

Malouf Dept. Store

Hamlin, Texas

"The Friendly Store"

Phone 70

by Jeanelle Bryant

An article by Austin Callan in the San Angelo Standard-Times recently is very good and we would like to share it with you.

"Hear No Evil, Think No Evil and Speak No Evil."

It is said that by some mistake the brains of the great Tallyand

W. H. EYSEN JR.
Attorney-at-Law
North of Morgan Ins. Agency

were consigned to a slop can. I don't know whether that is true or not.

But I do know that there are men and women in the world who get their minds in the gutter. They fill a brain that might bring forth the thoughts of a saint with trash. They make a slop can of it, when the opportunity is given to make it a container of knowledge and lovliness.

They trifl with a gift from God.

Mind What You Make It.

The mind of man can be a place to pile away rubbish or a garden growing glorious blooms. It can be a sky with golden stars shining in the blue, or a little pen in which hogs root and grunt. It can be a fountain bubbling with pure water or a sewer foul and unwholesome. It depends on whether we want sanity or filth.

The gossip makes a wrong use of the brain. Things are stored up that should never be allowed to contaminate the pure and the beautiful. Tales are told that injure the character of a fellow creature like certain substances kill a garden flower. The

mind should have an open door for the reception of all that is sweet. But angels should be asked to guard the entrance against the wicked.

There are two little words, "they say" that have made a sneak attack upon many an innocent person. They are the daggers of a cowardly assassin; they are the foul whispering of murder in the dark. They strike down beautiful vines with rare flowers. "They say" is a thief... a killer... who should be forced to answer to the law for the false tales he tells. One cup of hot water will scald and destroy the beauty of the loveliest bloom, and one ugly whisper can destroy a name that is prided higher than gold.

You can steal one's purse and do little harm.

But steal his good name and the prayers of a thousand cannot restore it. The most beautiful, the most delicate and the most valuable possession of a human being is character. It is the fringe that trims the star of life. Attack it with a serpent's tongue and you will blot out its glory forever.

Uncle Sam Says

What will your today's harvest look like 10 years from today? Will it be just a memory 10 years old? Or will your golden crops ripen into better farms, the best education in the world for your youngsters, or perhaps well-earned leisure for you and mom? Now's the time for you to plant dollars in United States Savings Bonds for future harvests. Four dollars for three dollars at maturity, and the deal backed by the United States Government—where can you beat Series E Bonds as an investment these days?

U. S. Treasury Department

coach at Texas University, sits on the sidelines and chews grass stems while his team is in action. Texas football players say they believe he has eaten a bushel of grass already this season. Observers at the Texas-Oklahoma game Saturday declared he grazed out a sizable spot of turf near the 50-yard line during that single game. They also agreed that he remained calm throughout the exciting game except when the pop bottles began flying in the fourth quarter following the Longhorns' fourth touchdown. If such a habit can keep a coach's nerves quiet during that game, we may try it. But where will we find a good green spot to begin on, naturally we don't want to try it on the common dry type. We suggest Coach L. B. Howard pick him out a juicy patch of grass for Friday night's tilt with the Stamford Bulldogs.

Good luck Pipers! We're really pulling for you.

low income states in the South." Southern states, including Texas, Mississippi's \$555 was the lowest were among the 16 states with the per capita income, and all 15 of the lowest averages.

SOCIETY

Ruth Class Feted At Tea Tuesday

Mrs. Clyde Angel, teacher and Mrs. Lester Morton, president entertained with a seated tea Tuesday afternoon in the Ezell home honoring members of the Ruth Sunday School class of the First Baptist Church.

Mrs. Morton, Mrs. Angel and Mrs. J. W. Ezell greeted guests at the door.

Following a very brief business meeting, Mrs. Eugene Eaton introduced Mrs. Ezell, who spoke on her recent trip to England and the European countries. Mrs. John H.

Osteen then spoke on the trip also and answered questions. She displayed several interesting articles she brought back from Europe, including some Danish newspapers, pictures, bread, etc.

Rev. Osteen showed the moving pictures that he took in Paris, France.

In the dining room, the table was laid with a madera cutwork cloth and centered with a beautiful arrangement of red roses on a reflector.

Mrs. Ezell presided at the crystal punch bowl. Mrs. Morton and Mrs. Angel served sandwiches, cookies and mints.

Those attending were: Mmes. H. S. Stovall, Ted Armstrong, W. O. Wilbanks, Cecil Sellers, Edgar Duncan, W. Wallace, Eugene Eaton, Ned Moore, Bonnie Smith, Jack Russell, Ovid Lawlis, Herman Treadwell, John Osteen, Mrs. Roy Cybert of Waco, Donald B. Bryant and the hostesses and hostess.

Mrs. J. C. Farris Honored Monday

Mrs. J. C. Farris was honored with a farewell shower Monday afternoon by the Lockett circle of the First Baptist Church Women's Missionary Society in the home of Mrs. M. P. May.

Mr. and Mrs. Farris are moving to Lewisville this week.

Junior Literary Club Will Begin Work Thursday

Members of the Junior Literary Club were to meet Thursday night with Nozik Hassen as hostess and Lupe Cave and Sarah Steele as co-hostesses.

Suzanne Toler was director. Club creed was to be given in unison and roll call answered with “Interesting Things I Saw This Summer.”

Lupe Cave was scheduled to deliver her presidential address and Mozelle Barnett the response.

Year books were to be presented. “Happiness come not from the power of possession, but from the power of appreciation” is the club motto. Club flowers are pink and white and the chosen flower is rose.

Mrs. Herman Treadwell and Mrs. from the Woman's Literary Club.

John D. Ferguson are the consolers. Officers are Lupe Cave, president; Mozelle Barnett, vice-president; Suzanne Toler, second vice-president; Sarah Brigham, recording secretary; Nozik Hassen, parliamentarian; Joan French, historian and Wanda Jean Mayfield, reporter.

Committees are as follows: Year Book—Suzanne Toler, Nozik Hassen and Sarah Steele.

Membership—Juaniice Young, Jo Ann Johnson, Betty Taylor and Vannie Huling.

Community Service—Frankie McCord, June Gillis, LaNell Colthorpe and Mary Carter.

The next meeting date will be on November 20.

Gleaners Class Has Hallowe'en Party Tuesday

Members of the Gleaners Class of the First Baptist Church enjoyed a Hallowe'en party Tuesday evening in the lovely new home of Mrs. Teddy Russell.

A lighted candle within a pumpkin shined brightly in the large window in the living room of the Russell home. The table was centered with a pumpkin and Hallowe'en decorations.

Guests were dressed “tacky” and Mrs. Jo Robertson was awarded a sucker for being the “tackiest.”

Mrs. Paul Gentry gave the devotional using Psalm 27.

Games were played and delicious pie and spiced tea were served. Toy bugs were plate favors.

Main feature of the evening's entertainment was the blowing of plastic balloons.

Those present were: Mmes. Herman Treadwell, Roy Mauldin, Paul Gentry, L. T. Stubbs, Marvin Carlton, Jo Robertson, Ruth Scour, Fred B. Moore Jr., Bill Shira, Elizabeth Meeks and the hostess, Mrs. Teddy Russell.

Comrades Class To Have Guest, Mrs. John Osteen

Mrs. John H. Osteen will be guest speaker at the Sunday School hour of the Comrades Class of the First Methodist Church next Sunday morning, according to the teacher, Mrs. E. M. Wilson.

She will discuss the highlights of her recent trip to England and Europe. A part of the program will be devoted to questions and answers, with each person in the audience being invited to ask any question they would particularly like to hear answered concerning the trip.

Every class member is urged to be present and bring along a friend.

Dr. W. C. House Honors Stewards At Turkey Dinner

Stewards of the First Methodist Church were honored with a delicious turkey dinner Monday evening at 7:00 o'clock p. m. by their pastor, Dr. Will C. House, in the lovely new parsonage.

Three tables were laid with white linen cloths and centered with arrangements of yellow dahlias in shallow bowls. Other fall flowers decorated the buffet and the living room.

Mrs. Gordon R. Bennett, chairman of the fellowship committee, was in charge of the arrangements. Miss Ella Temple, Mrs. Edd Bailey, Mrs. L. H. McBride, Mrs. Joe Culbertson, Mrs. D. O. Sauls, Mrs. Brad Rowland and Mrs. J. H. Hudson assisted at the dinner.

Members of the board of stewards attending were: L. H. McBride, chairman, Gordon Bennett, vice-chairman, Fred Carpenter, secretary, Edd Bailey, A. B. Carlton, Joe A. Simpson, A. Hudson, Brad Rowland, Tom Teague, Joe Culbertson, Elmer Feagan, M. T. York, Dr. G. Don Gould, Jack Hames, Holly Toler, Fred C. Smith and H. A. Johnson.

Mrs. Loy Fry Hostess Friday To Garden Club

Hamlin Garden Club met in the home of Mrs. Loy Fry Friday at 1:00 o'clock p. m. for a luncheon, which marked the beginning of the year's work for the group. A delicious salad course was served.

Places were marked with hand-painted cards.

A short business session was held with the president, Mrs. H. O. Cassle, presiding.

Mrs. A. A. Hackley conducted a program on “Summer Garden Observations.”

Mrs. J. W. Ezell gave a very interesting report of the beautiful flowers she saw while abroad.

Mrs. Fred Moore Sr., program chairman for the year, gave a brief synopsis of the year's activities.

Those attending the luncheon were: Mmes. A. G. Irwin, W. A. Albritton, A. A. Hackley, R. D. Moore, Joe Culbertson, J. W. Ezell, Alton Clemmer, C. G. Green, Dick Maberry, Paul Fowler, J. P. Morgan, Harold Bonner, M. T. Hudson, P. D. Harkins, Carl Young, J. W. McCrary, Luther Marr, Edd Bailey, J. W. Poe, D. D. Harden, C. P. Yates, R. L. Kite and Miss Ella Temple.

Mr. and Mrs. F. L. Mikeska and daughter, Kay, of Edon spent the week-end with Dr. and Mrs. W. C. Weir.

Mrs. J. W. Ezell and Mr. and Mrs. Clyde Angel spent Monday in Lubbock.

Senior Sub-Debs Hold Initiation Day and Picnic

Senior Sub-Debs held initiation day last Saturday, beginning with a picnic at the city park at 1:00 o'clock p. m. Some of the girls were accompanied by boy friends.

The group then attended the movies. At 4:00 o'clock p. m., real initiation began when the pledges had to wash the sidewalk with their toothbrushes and rode kiddy-cars down the street crying for their “mamas.”

Pledges then were invited to the home of Nozik Hassen, where some unusual dishes were served.

At 8:00 o'clock p. m. in the evening the pledges entertained the old members with a party at the home of Wilma Lou Moore.

New members are: Mary Jo Hendricks, Dena Gayle Miller, Elaine Alvis, Joan Johnson, Lavon Stewart and Wilma Lou Moore.

Freshman Class Selects Room Mothers Tuesday

Members of the Freshman Class of Hamlin High School with Mrs. Hodges and Mrs. Blankinship. The group voted to be in charge of a fortune telling booth and game room at the Hallowe'en carnival Saturday, November 1.

Mrs. Madden, Mrs. Rowland, Mrs. Kite, Mrs. Maberry and Mrs. Benicker were chosen as room mothers.

National Honor Society Meets At Mrs. Farrow's

First meeting of the year for the Hamlin High School National Honor Society was held Thursday evening, October 9 in the home of Mrs. Mary Farrow.

To be eligible for membership in this club one must have an average of 85 or above and they must also rank high in service, character and leadership.

Jack Owens was elected president; Lupe Cave, vice-president; Joan French, secretary-treasurer; and Sarah Steele, reporter.

New members will be accepted after the results of the first six weeks examinations are announced.

The following are already members: Jack Owens, Aubrey Altum, Lupe Cave, Lela Brigham, Joan French, Suzie Toler and Sarah Steele.

Mrs. D. J. Turner left Sunday to visit her daughter, Mrs. William Waller in Fort Worth and son, George Beavers, in Dallas.

Mr. and Mrs. Roy Morris and children, Jimmy and Mary Ann, of Roscoe spent Sunday with Mr. and Mrs. I. R. Hutchinson and Eleanor. They visited other friends in the afternoon.

Al Johnson Leads Cowboys Against New Mexico Lobos

New deal of football for New Mexico University will be on display for day night when the revitalized Lobos Hamlin H-SU fans in Abilene will invade the Hardin-Simmons Corral. The game will be played at the Fair Park Stadium.

The Lobos will be riding on a streak of two victories, 20 to 18 win over Kansas State and a 20 to 0 conquest of the New Mexico Aggies. Hardin-Simmons will be seeking its second victory after smashing Arizona 35 to 7 in the first contest beginning their defense of their title.

Al Johnson, of Hamlin, has completed 11 of 27 passes without an interception, will be quarterbacking for the Cowboys. The Hamlin sensation, described by Grantland Rice as one of the greatest backs of the Southwest, is completing his third and final year on the Hardin-Simmons varsity eleven.

Passes the State Nurses Examination

Iva Mae Wallace returned from Austin Friday after passing state examination for nurses. Her plans for future work have not yet been revealed.

She graduated from nurses school in Abilene last spring. She is a graduate of Hamlin High School.

Freshmen Class To Hold Rummage Sale Saturday

A rummage sale will be conducted by the Freshman Class of the Hamlin High School Saturday to raise money for the class queen.

You are invited to stop by and look at the many bargains. Any donation will be appreciated, it was stated.

H-SU Dean to Speak At McCaulley Church

Dr. Truett Walton of Hardin-Simmons University, Abilene, will preach at both the morning and evening services of the McCaulley Baptist Church, according to an announcement by the pastor, Rev. C. E. Dick.

Rev. Dick recently underwent an operation in the Baylor Hospital, Dallas, and is recuperating nicely. Doctors have ordered him to take it easy until November 1, when another check-up will be made. He hopes to resume his regular activities shortly after the first of the month.

Home Demonstration Clubs to Make Tour

Jones County Home Demonstration Club women are going on a county-wide tour October 22. The group will meet south of the courthouse at Anson at 8:45 o'clock a. m. The first place visited will be Mrs. Walter Love's. From there the group will go to Tuxedo, New Hope and Aveca. A paper sack lunch will be spread at Pleasant Valley community center. The people of this community have taken over an old school center and made a nice place for community gatherings, such as the Home Demonstration Club meeting and others. In the afternoon the group will visit Hodges, Goodman, Carpenter's Gap and Union communities.

Anyone interested in seeing the things that have been accomplished by Home Demonstration Club members is invited to go on the tour. You will see homes that have been landscaped, improved living rooms, pieces of refinished furniture, handiwork and many things that you will enjoy and that will make the trip worth while. Make plans today to go on this tour October 22.

Blessed Events

Mr. and Mrs. Willie Gonzales are the parents of a son, born Wednesday, October 8. He tipped the scales at seven pounds.

Mr. and Mrs. John Thomas Hart, formerly of Hamlin, announce the arrival of a son, John Thomas Jr., born Wednesday, October 8 in a Lubbock hospital. Mrs. Lala Harbert, mother of Mrs. Hart, is in Lubbock with her daughter and family.

Mr. and Mrs. O. L. Loyd are the parents of a daughter, Linna Faye, born Monday, October 13 at a local clinic. She weighed six pounds and eight ounces.

Mr. and Mrs. Lankford McCracken are the parents of a daughter, born Wednesday, October 8 in a Rotan hospital. She weighed seven pounds and seven ounces.

Candidate—"I suppose it is your great ambition to leave deathless footprints on the sands of time."

Candidate—"Well, no, not exactly—I want now is to cover my tracks until after the election."

FFA Green Hands Initiated Last Week

Members of the Hamlin chapter, Future Farmers of America, held their annual initiation meeting last Tuesday. Twenty Green Hands out of 22 new FFA members were initiated and new officers elected.

Officers elected are: Donald Young, president; Jack Willingham, vice-president; Alton Kite, first vice-president; Dennis Johnson, as third vice-president; Weldon Townsend, reporter; Joe Ford, treasurer;

Ted Kelly, parliamentarian; George Elder, historian; Gene Westmoreland, sentinel.

The FFA chapter meets the first Tuesday in each month.

Pain by Degrees.

Lawyer (for motor accident victim)—"Gentlemen of the jury, the driver of the car stated that he was going only four miles an hour. Think of it! The long agony of my poor, unfortunate client, the victim, as the car drove slowly over his body."

Announcing!

I am happy to announce that my son, Guy T. White, is now associated with me in the Real Estate business.

Give us a trial and we will do our best to serve you.

THIS WEEK'S LISTINGS:

Dr. and Mrs. Joe McCrary and Sue spent the week-end in Fort Worth and Dallas. They attended the State Fair.

POT-SHOTS FROM McCARLEY

By GEORGE DARDEN

Mr. and Mrs. W. B. Mayo were happily surprised in their new home north of McCaulley last Thursday night when members of the Order of the Eastern Star of McCaulley and their families surprised the Mayos with a gift shower. Games of bingo and forty-two were enjoyed and ice cream and cake were served to the following: Mrs. Frank Jackson, Mr. and Mrs. A. A. Callo-

way, Miss Gertie Mason, Mr. and Mrs. Jerry Miller, Mrs. Lottie Rector, Mr. and Mrs. W. R. Moffett, Mr. and Mrs. Harold Snider and son Mr. and Mrs. Guy Mauldin, Mrs. Lillian Keller, Mr. and Mrs. Melvin Courtney and daughter, Mr. and Mrs. L. E. Rector and daughter, Mrs. W. R. Redus, Mr. and Mrs. Levi McCollum, Mr. and Mrs. Rufus Herbst, Mrs. Mattie Curtis and Mr.

Mr. and Mrs. Ellis Elvens and children of Fort Worth visited relatives in McCaulley last week.

Levelland was hit hard by a severe hail that caused an estimated \$2,000,000 damage one day last week. We should be thankful even tho' a short crop in these parts.

Mr. and Mrs. Louie Jones and Mrs. L. B. Miers visited parents in Slaton last week-end.

Rev. C. E. Dick is back home after undergoing surgery in a hospital in Dallas.

Mrs. W. F. Davidson visited for a week in El Paso with a daughter Mrs. Laura Woods of Hamlin spent the week-end with Mr. and Mrs. M. Woods and Mr. and Mrs. F. L. Rector.

Mr. and Mrs. W. R. Perryman and family have moved into town, they have rented a six-room house from Romo Brown.

Mrs. O. C. Prather has leased the McCaulley Cafe from W. A. Hemphill and is now operator of same.

Alf Hemphill took a truck load of cattle to Fort Worth Sunday for the purpose of sale.

Charles Ferguson has rented a 160-acre farm from Ray Grisham of Abilene. The farm known as the Akins place joins the town site on the west.

Frank McCasland from Fort Worth visited his son and family Mr. and Mrs. Tom McCasland last week-end.

It's a difficult job to get all the news in the fall of the year due to the fact that all the folks are on a dead run, so it's -30- til' next week.

News Briefs From

Fisher County

Committee in charge of rodeo during the Fisher County Fair on October 30 through November 1 say they have secured plenty of good rodeo stock for the show. . . . October term of district court convened at Roby Monday morning. . . . Fisher County Baptist Association met at the Roby Church last Wednesday afternoon and night. . . . Congressman Omar Burleson was guest speaker at a meeting held to open the new VFW home in Rotan Monday night.

Preceeding the meeting VFW men honored him at a dinner in the Ritz Hotel. . . . Contracts have been let for an \$85,000 primary school building at Rotan. . . . Rotan firemen won first place in a six-man hookup contest at the Mid-West Firemen's Convention in Colorado City. . . . Mrs. Delma Bales, Fisher County home demonstration agent, was married recently to J. T. Scott, stock-farmer of near Shallowwater. . . . Roby Jaycees made a booster trip to all points in the county this Wednesday boosting the County Fair. . . .

Old McCaulley High has done it again! Yep, the football boys went over to Blackwell last Friday and defeated Blackwell High by a score of 47-6. It was the first time that McCaulley's goal line has been crossed this year by any team. Anyway the score proved the ability of the home team to snow the opposition under the sod.

A total of 324 bales had been ginned in McCaulley up to last Saturday night, perhaps 40 per cent of the cotton in this part of the country has been gathered.

No, this isn't a strip-tease, but just Hulda Cannon, 1947 International Cotton Queen, demonstrating a neat combination of cottons at the Cotton States Jubilee of the Lions International convention in San Francisco, where she won the title.

and Mrs. George Darden. Absent were: Mr. and Mrs. R. L. Miers, Miss Ila Elvens and Mrs. Hallie McCaffter who sent gifts.

The following news items should have been in this column last week but came in the mail too late. Mr. and Mrs. Alvis Mayo and children of Grand Prairie were week-end visitors in the home of their parents, Mr. and Mrs. W. B. Mayo.

Jimmy Irwin's Father Dies In Colorado

Mr. and Mrs. A. G. (Jimmy) Irwin left Monday night for Clifton, Colorado to attend the funeral services for his father, W. M. Irwin, who died there Friday night after a lingering illness.

Mr. Irwin, 70, had been in failing health for the past several years. His son, Jimmy, and family attended the golden wedding anniversary celebration of Mr. and Mrs. Irwin recently.

Funeral services were to have been held at Clifton Wednesday. The service was delayed awaiting the arrival of a nephew from Virginia. Interment was to be at Grand Junction, Colorado.

Survivors include his widow, 10 children and a large number of other relatives.

TRUE STORIES of WEST TEXAS

By N. H. Kincaid, 2618 Hitory St., Abilene, Texas—Copyrighted

OUTLAWS OF THE CATTLE COUNTRY.

When John T. George left the spring round-up on his ranch in King County to chase a lobo wolf, he was expressing the cattleman's hatred of that cunning outlaw. As the lobo cut back through the herd he was joined in the chase by three of his cowhands, Al and Joe Jay and George Goodall.

"We roped that lobo time after time but she cut the rope in two with her teeth, like cutting a thread with a pair of scissars," Joe Jay recalled over half a century later.

But the cattleman persisted and eventually the wolf was cornered. George Goodall had tightened a rope around her neck before she could snap it and, running full speed, had thus choked her down. Mr. George wanted the honor of killing her; she had been living too long on his young calf crops!

A lobo requires a big calf every other day in the summer time, and often two make the kill together. They are as detrimental to a herd of cattle as in an epidemic. Thus the cattlemen of West Texas put a price on the lobo's head and after he became the most hunted outlaw of the great plains.

Yet a lobo wolf is practically immune to catching by traps or poisoning. But after a heavy series of losses one winter Al Jay, working on the George Ranch, vowed to break this hoax. Wearing his gloves throughout he took some fresh meat, inserted poison with a knife and fork and placed it in a clean, sealed bucket. He then rode to the dead calf and, remaining on his horse, dropped the poisoned meat beside it with the fork and again rode away, never touching the meat or bucket with his hands nor the ground with his feet.

And Al succeeded. Four lobos were killed from one calf by this method.

"From 50 to 75 miles below the cap-rock of the Plains was the great known lobo wolf breeding ground in the world," said Joe Jay. "And the wolves seemed to congregate on the George, Pitchfork, Eight and the Matador Ranches during the '60's and '90's."

But the lobo is a lone wolf and seldom hunts in a pack. Once there were 36 reported to have been seen together. This was most unusual, for if he chose companions they were usually limited to two or three. And he prefers to make his kill in an open flat or on a bald hill and, like the cowboy himself, the lobo always chose the good veal to any other meat.

**How women and girls
may get wanted relief
from functional periodic pain**

Cardui is a liquid medicine which many women say has brought relief from the pain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

W. H. Pickron Appointed To Regular Army

First Lieutenant W. H. Pickron Jr. was among those appointed by President Truman Friday to the regular Air Force, retaining his commission.

Lt. Pickron, son of Mr. and Mrs. W. H. Pickron, has been in the Air Corps since March 1941, receiving his wings and commission at the age of 19. He served in the Pacific Theatre during the war and has been stationed at Barksdale Field, Shreveport, Louisiana for several months.

Approximately 5,900 officers were appointed by the President, making a total of about 28,000 officers who were transferred to the regular Army Air Force since the end of World War II.

Lt. Pickron is to be commended for his appointment as the competition is heavy in this particular field of army work with so many air-minded young men desiring to continue their army study.

Guest Organist.

Mrs. Ralph Worley was guest organist at the services both morning and evening at the First Baptist Church last Sunday. She is the former Maxine Brundage.

THE HAMLIN HERALD

COTTON GRAINS OIL CATTLE GYPSUM
A LACKY-JONES PUBLICATION

FORTY-SECOND YEAR—NUMBER 50

HAMLIN, JONES COUNTY, TEXAS, FRIDAY OCTOBER 17, 1947

SECTION II—Four Pages

Southwestern Farm Market Prices Are Very Unsteady During The Past Week

Spots or strength and weakness checkered southwest farm markets last week in very uneven trends, according to a report received by The Herald from the Production and Marketing Administration or the United States Department of Agriculture.

Wheat and oats registered rather sharp advances for the week. Corn hardly recovered early losses as

continued favorable weather aided crop prospects. Sorghums fluctuated widely but closed Friday unchanged from a week earlier, at around \$3.65 per 100 pounds. Wheat stood at \$3.02½ per bushel for base grade.

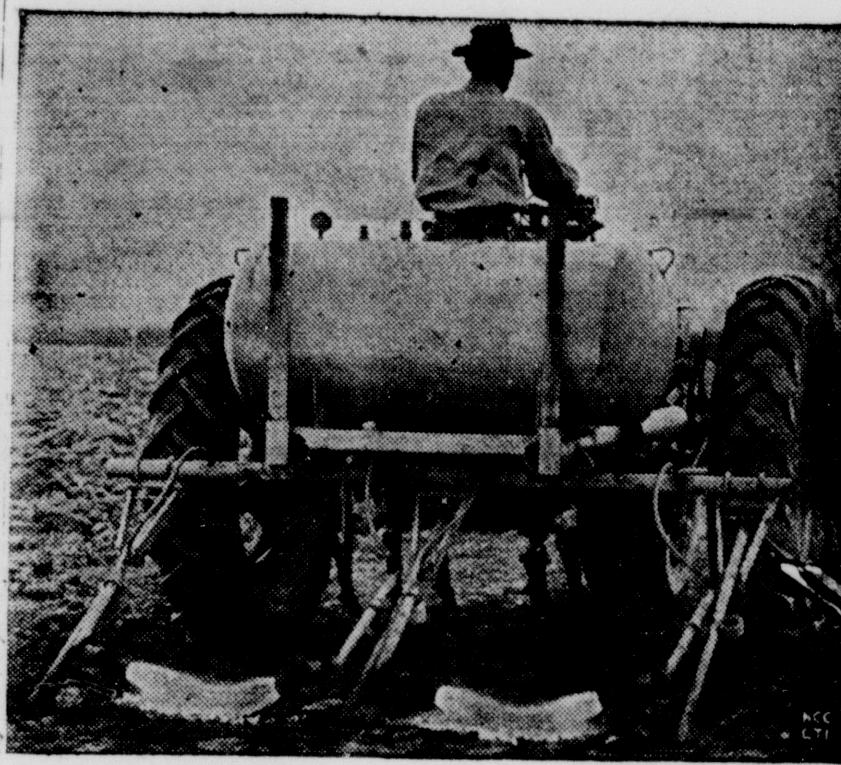

Millfeeds and oilseed meals declined during the week, at most other feeds gained. Hay moved more freely at slightly higher prices for good quality. Peanuts found slow de-

mand, as harvesting became more general. Fine Texas wools were getting scarce, but average staple of 1946 lots sold at \$1.18 to \$1.20 clean basis.

Spot cotton sales increased during the week, as harvesting went forward at full pace. Prices scored net advances of \$2 to \$3 per bale.

Eggs continued to sell at firm prices last week, while poultry showed slight weakness at some places. Most heavy hens brought 22 to 24 cents per pound at Fort Worth, 28 at Dallas, 22 to 26 at Denver and 31 to 33 at New Orleans. Fort Worth and Dallas paid around 55 cents per

FLAME CULTIVATOR HELPS FARM WORKER

Mechanized cotton farming has brought the flame cultivator which sears cotton's weed enemies and frees farm workers from the laborious task of cleaning out cotton rows in summer heat. With the harvester, it gives the cotton farmer invaluable assistance during the two peak labor periods of the cotton production cycle—the cultivation and harvesting phases.

dozen for best candled eggs and New Orleans gave 56 for fresh No. 3 extras. Denver took best current receipts at 43 to 47.

Cattle varied some during the week but closed mostly steady to strong, with Texas cows and calves the principal exceptions. Medium and good cows sold generally from \$14 to \$16 at Texas markets, where common and medium kinds ranged largely from \$12 to \$14 and canners and cutters from \$8.50 to \$11. Other southwest terminals paid around \$13.50 to \$18 for common to good cows. Canner and cutter cows also brought \$9.20 to \$12.50 at Oklahoma

City and Wichita and \$11 to \$13.50 at Denver.

Slight daily ups and downs left hog prices largely steady to 50 cents higher for the week. San Antonio set a new all time high of \$28.50 but closed a little below the peak. Closing top prices on butcher hogs ranged from \$29 to \$29.50 at other southwest markets. Sows brought mostly \$25 to \$27 and pigs \$20 to \$24.

Slaughter lambs suffered losses of 50 cents to \$1 at most southwest terminals, but San Antonio remained steady to strong. Other classes held mostly steady. Medium and good fat lambs brought \$18.50 to \$19 at San Antonio and \$18.50 to \$20 at Fort Worth. Good and choice kinds sold around \$21 to \$22.50 elsewhere.

It was pointed out that if the suggested mailing period is used, there is more definite assurance that the Christmas packages will arrive just before or during the holiday season.

"Wiggle" Hamric Head Drum Major At Orange High

"Wiggle" Hamric, daughter of Mrs. Eunice Hamric of Hamlin, has been elected head Drum Major at Lutcher Stark High School in Orange, according to word received here by friends.

Miss Hamric was in the contest with eight twirlers who were judged by three adults. Five points were given for showmanship, personality and strutting and "Wiggle" received 13½ points.

She and the next highest twirler will work out some routines together including a duel fight effect.

Good Roads Official Says State Needs to Expand Highways

Color movies and a collection of charts and maps are telling the story of Texas roads at the State Fair of Texas at Dallas.

The exhibit is sponsored by the Texas Good Roads Association.

"Most engineers say that 3,000 vehicles per day is the maximum efficient volume for a two-lane highway," Colonel Ike Ashburn, executive vice president of the association, declared. He added: "Texas now has 400 miles of two-lane highways carrying more than 4,000 vehicles per day.

Safeway's Meat Counters are Open on Tuesdays (and every day except Sunday)

HERE IS WHY:

1. Many people need fresh meat in some form every day as prescribed by their physicians for specific health conditions.
2. Certain creeds and religious faiths may observe a day other than Tuesday as their meatless day.
3. Many consumers may find it necessary to buy their meat on Tuesday for use on Wednesday.

In having meat for sale every day Safeway is simply fulfilling its obligation to serve the needs of all customers.

In addition, Safeway believes that an important contribution will be made to cutting down waste by maintaining an even flow of perishable foods from producer to consumer. For its part, Safeway intends to wholeheartedly cooperate with President Truman's program by doing everything possible to eliminate spoilage and waste in its stores and warehouses. Closing the stores or withholding food from sale on any business day would simply mean an extra storage period for perishable foods which in turn would increase the amount of waste and spoilage.

SAFeway STORES, Incorporated

It's to your interest to know about this proposed feather-bedding!

For sheer feather bedding, this mock work proposal takes the cake. But it is only one of 44 "rules" demands filed by the leaders of the operating unions. If all those demands were granted, they would cost the railroads an added BILLION DOLLARS A YEAR.

Increased Wages, Too

On top of these "rules" changes, the leaders of the operating unions have filed an additional demand for a wage increase of over 20 per cent. If granted, this would be an added cost to the railroads of \$400,000,000 a year.

\$468,000,000 To Non-Operating Employees

In addition to this, an Arbitration Board has just granted a wage increase of 15½ cents an hour to the million employees represented by the 17 non-operating unions. This will cost the railroads \$468,000,000 a year.

Where Will The Money Come From?

Where will all the money come from to pay these increases? They total several times as much as the railroads made in 1946 or will make in 1947.

In July, the railroads filed an application for increased freight rates to close the gap which then existed between wage and material costs, and railroad revenues. Since then it has been necessary, because of further increases in wages and material costs, to supplement that petition and to ask for an additional freight rate

increase. No other course is open.

Railroads Do Not Run For Employees Alone

Railroads are operated for the benefit of not one, but several groups—shippers, passengers, employees, stockholders, and the general public. The interest of all must be served—and that cannot be done unless the railroads can operate efficiently and economically, and unless they are allowed to earn sufficient revenue to provide the kind of transportation service this country MUST HAVE.

FARM FACTS

WORTH
KNOWING

lipase which is normally not present in milk but may occur in the last stages of the lactation period or in cows suffering from mastitis. If not due to mastitis, the trouble will usually disappear when the animal freshens or after she goes on pasture. The difficulty may be overcome by heating the milk to 145 degrees and then cooling promptly.

COTTON INDUSTRY'S AMBASSADORS

Two effective ambassadors for the cotton industry were the Maids of Cotton for 1946 and 1947. The 1946 Maid (left) was Gwin Barnwell of Castonia, N. C., while the 1947 Maid was Helene Seay of Memphis, Tenn. The National Cotton Council inaugurated the Maid of Cotton program in 1939 to stimulate interest in cotton.

in selection of the herd boar are: (a) Individual or outward appearance; (b) ancestry or the inherited ability to produce strong, healthy and desirable offspring; and (c) performance record or the test of production.

Q.—After rabbits have been mated, is it advisable to have the does rebred?

A.—Yes. The rabbitry at a famous feed concern recommends that rabbits be mated and the same pair remated five hours later. Then, because of the possibility of does going through a period of pseudopregnancy (false pregnancy) all does are rebred again on the eighteenth day.

Q.—My five-month-old capons are developing breast blisters. These capons have been raised on wire since they were four weeks old. Is there any way to get rid of these blisters, and will they affect the quality of the meat?

A.—These breast blisters are no doubt caused by irritation from the wire floors. Raising the birds on slat floors will prevent most of this trouble. But ordinary breast blisters do not affect the quality of the meat although they do hurt the appearance of the carcass when dressed.

Mr. and Mrs. Gene Waggoner of Dallas were week-end guests of their friends, Mr. and Mrs. Tate May.

Mr. and Mrs. Milton Raley have moved to Monticello, Arkansas. She is teaching English in the high school there.

Mr. and Mrs. Clyde Angel visited her parents in Lubbock Monday.

Be Quick To Treat
Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with anything less potent than Creosolusion which goes right to the seat of the trouble to help loosen and expel germladen phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creosolusion is a beechwood extract by special process with other fine "tested" medicines for coughs.

It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creosolusion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Automatic Stock Phosphorus Feed Plan Explained

Beef cattle specialists of the Texas A. & M. College Extension Service are talking a lot about mineral supplements now, County Agent H. C. Stanley Jr. says.

Big question seems to be the best method for putting out phosphorus which, you know, is the mineral that cattle need most as a supplement to feed and forage.

A. L. Smith, Extension beef cattle specialist, believes that an automatic mineral dispensing machine that has been developed during the past 10 years is actually the most satis-

factory method of supplying phosphorus to cattle. We understand that the machine was developed by Otto B. Schoenfeld, who is with a mineral supplement concern in Houston.

Phosphate fertilizer, applied to pastureland, and the use of mineral boxes have been very satisfactory in many areas in Texas—but the automatic method seems to top the list.

The limiting factor on the automatic method, Stanley points out, is that the stockman must have a controlled water supply to put the dispenser in action. The phosphorus is mixed in with drinking water, and supplied to the cows in that way.

The water must enter the machine and flow through it into the troughs. The machine adds phosphorus in the proper amounts.

Farmers Interested In Wheat Yield Boost

Each of Jones County's 800 wheat growers will doubtless be interested in work done by a county seed improvement committee in Taylor County; work that is raising small grain yields by the bushels an acre.

Committee members credit the work of the seed improvement organization for adding an extra \$140,000 to the income of the Taylor County wheat growers this past season.

This year, reports Elmo Cook, Taylor County agent, Westar and Wichita wheat varieties and Fultex oats are popular among small grain growers and the varieties have been brought into the county for foundation seed.

No Pay-Off.

The old countryman was seeing the sights of London, and at a Labor Exchange he saw a sign on a door—"Women's Exchange." Entering, he found a woman clerk glaring at him from behind a counter, and he asked—"Is this the Women's Exchange?"

"Yes," came the curt reply.
"And are you the woman?"
"Yes."
"Then I'll stick to Martha!"

The McMurry team will meet the Texas Agricultural and Industrial Javelinas from Kingsville Saturday night in Abilene Fair Park stadium. The Indians this season have played New Mexico Agricultural & Mechanical College, University of Houston, Centenary College of Louisiana and Hardin College at Wichita Falls, all road games.

Other games on the McMurry grid roster include Abilene Christian College at Abilene, Austin College at Sherman, Daniel Baker at Brownwood, Howard Payne at Abilene and Southwestern at Georgetown, all being Texas conference tilts.

Half-time color for the Saturday night game with the Texas A. & I. will be furnished by more than 12 area high school bands who will be McMurry's guests at the second annual band clinic.

STOP DOSING YOUR STOMACH FOR CONSTIPATION . . .

WHEN constipation hangs on and you have that listless, "half alive" feeling chances are it's not your stomach but your intestinal tract that's at fault. Sluggish intestinal muscles permit waste to accumulate . . . gas is formed and often you feel miserable, nervous and out of sorts.

For real relief . . . take the new, improved, ADLERIKA the Tone-Up laxative. It moves waste quickly but gently to relieve constipation and gas. You'll enjoy a new feeling of pep and vitality when your digestive system is in perfect order. Try ADLERIKA today and you'll learn why over 20,000,000 bottles have been sold. Cautions take only as directed.

ADLERIKA
THE TONE-UP LAXATIVE

Fire Prevention Week Recalls Big Losses on Farms

National observance of Fire Prevention Week has brought out the startling fact that 100 farm fires occur in the United States each day, killing 10 farmers, according to H. C. Stanley Jr., Jones County agent.

Texas A. & M. College Extension Service is cooperating with the National Fire Protection Association and the U. S. Department of Agriculture, in an attempt to cut down this loss of life on farms in Texas, and is urging farm people to guard themselves and their families against fire.

Agent Stanley asks the pertinent question: What are the most dangerous causes of fires?

The careless smoker still is Public Enemy No. 1, on the strength of his smoking in bed and in the barn and discarding lighted cigarettes and matches. The thoughtless housewife ranks second on the list, by continuing to stack papers, magazines, old clothing, broken toys and discarded furniture away in the attic, closets, basement, the barn and other buildings.

Dangerous storage of gasoline and kerosene, and the use of flammable cleaning fluids take a high toll of life and property.

Children playing with matches cause 26,000 fire annually. Dirty and improperly operating lanterns are a big threat, as well as the dust and cobwebs around motors, appliances and frayed electric cords.

LET US "SPRUCE UP" Your FALL WARDROBE

That neat-as-a-pin, well dressed appearance is no accident.

It means Dry Cleaning by careful, thorough and scientific methods . . .

Dry Cleaning that not only removes grime, but actually rejuvenates suits and coats.

Have that spruced-up, well groomed look this Fall by coming here!

Admiration's \$5,000 "My Favorite Grocer" Contest

Your "Favorite Grocer" may be the little store around the corner—or a huge Super-Market on a busy thoroughfare—just tell why in fifty words or less. If your entry is judged best, you'll win the \$1,000 Grand Prize—and \$500 for your "Favorite Grocer." Every winning contestant wins a special prize for his or her "Favorite Grocer." Send in your entry now—you may win one of the weekly prizes and still be eligible for the Grand Prizes! The weekly prizes include Philco refrigerators, Westinghouse electric roasters and irons, Dormeyer electric mixers, Manning-Bowman electric percolators, Dominion electric toasters—and many other prizes. Enter Now!

FOLLOW THESE SIMPLE RULES

1. Simply complete this statement in fifty words or less ("Your favorite grocery store's name) is my favorite grocer because . . .
2. Write on one side of paper (or get an entry blank from your grocer) and mail to Admiration Contest, Box 285, Houston, Texas. Be sure to include your name and address and name and address of your grocer.
3. You may send as many entries as you wish but each entry must be accompanied by one of these: The Mammy picture (or label) from an Admiration Coffee package or jar—or the strip that un-winds from an Admiration vacuum can.
4. Anyone is eligible to enter except employees of the Duncan Coffee Company, their advertising agency and their families.
5. All entries become the property of the Duncan Coffee Company—none can be returned—and the decision of the judges will be final.
6. The contest begins September 29th and ends midnight, November 16th. Weekly contest winners will be selected from entries received before midnight Saturday of each week. All entries postmarked later than midnight, November 16, will not be considered.
7. All winners will be notified. A list of the winners will be sent to all contestants requesting one and sending a self-addressed stamped envelope.

Your "Favorite Grocer" features Cup-Tested ADMIRATION Coffee—that delicious blend with the abundant flavor, aroma and richness. Get your favorite grind—Dripkut, Perk-Kut or Glass-drip.

GRAND PRIZES!

1ST PRIZE \$1,000
2ND PRIZE Philco Refrigerator
3RD PRIZE Crosley Radio-Phonograph

WEEKLY CONTESTS END MIDNIGHT OF EACH SATURDAY. CONTEST CLOSES MIDNIGHT, NOVEMBER 16TH

NOW—make a date to OIL-PLATE!

It's a lot easier to feel friendly toward a car with an OIL-PLATED engine.

So why not drive in today; let us drain our worn and dirty summer oil and change to fresh Conoco Nth winter oil!

Conoco Nth Motor Oil (patented) includes an added ingredient which fastens an extra film of lubricant so closely to metal surfaces that cylinder walls are actually OIL-PLATED!

This extra OIL-PLATING resists gravity . . . won't all drain down even overnight! So, you're extra-protected from metal-etching, combustion acids . . . from "dry-friction" starts . . . from carbon and sludge due to wear!

For extra power, extra protection when you're first starting up, or when you're running hot . . . make a date to Oil-Plate your engine today!

Rid Your Car of Faulty Brakes and Lights

By Colonel Homer Garrison,
Director Department of Public Safety.

Pix your lights so that you can be seen by the other fellow and your brakes so that you can stop, and you'll be all right Hamlin and area motorists are reminded this week under the new traffic law, which went into effect September 5.

You must have two burning headlamps and a burning red tail light. The only thing which every motorist has to have after January 1, 1948, which he may not have now is a little white light over the rear license plate. Formerly, reflectors were enough on trailers of all kinds, but after January 1 a burning red tail light is required for any vehicle whatsoever on the road. Trucks and busses under 80 inches wide must have in addition to other lights a stop light and two red reflectors on the rear.

Trucks or busses over 80 inches wide or having an actual or registered gross weight in excess of 3,000 pounds must have the following lights besides the headlamps, tail light, license plate light, stop light and two red reflectors:

1.—Amber clearance light at front outermost top corner on each side.

2.—Red clearance light at back outermost top corner on each side.

3.—Red side marker near rear on each side.

4.—Amber side marker near front on each side.

5.—Amber side lamp near front on each side.

6.—Red side lamp near back on each side.

When disabled upon the highway, all types of trucks, busses and trailers must have three properly spaced warning devices such as pot flares, electric lanterns and the like.

All brakes must be capable of stopping the vehicle going 20 miles per hour within a distance of 30 feet on a smooth, level surface and must be maintained in good working order so as to be applied evenly on all wheels. Any type trailer having an actual or registered gross weight in excess of 3,000 pounds must have a separate set of brakes thereon.

Orchard Pruning Helps Fruit Yield Declares Stanley

Let's look ahead in your orchard for a minute or so. October is coming—and October is the month that can make or break your orchard as far as the next growing season is concerned.

H. C. Stanley Jr., county agent an extension horticulturist at Texas A. & M. College could make a pretty tough work schedule for you in October. Right now he wants all you orchardists to take a look ahead and start figuring.

There's the job of pruning that's coming up—and that one will start as soon as the first frost comes along. Then there's your cover crop, which will blanket that ground dur-

ing the winter, cut down erosion and put some added life into the soil. And another job coming up is removing unhealthy trees and replacing them with new ones.

That old pruning job, at best, is a slow job, Stanley says, especially in large orchards. But he says it's a lot easier to remove some of those fruit buds by pruning them than it is to pull them off each individual tree next spring after the fruit was reached the size of a 25-cent piece.

Stanley likes to see peach and plum trees pruned to a frame work of branches, made up of only three or four large limbs. On apple and pear trees, the job is simple to thin out the main branches to keep dangerous crotches from forming. Of course, those sucker sprouts on the lower branches need to come off, too.

October is one of the most important months as far as your fruit trees are concerned.

British Editor On "Hometown" Editor Program Saturday

Hamlin area radio listeners have a treat in store for them Saturday when Charles Eade of London, England discusses on the Hometown Editor program "Post-War Problems of a British Newspaper Editor." He is editor of the London Dispatch and the program is over WFAA at 12:30 o'clock p.m.

The Hamlin Herald is one of the Texas newspapers frequently discussed on the broadcast.

Addressed exclusively to Hometown Editor Texas listeners, Mr. Eade will tell how British newspaper editors have developed a new style of news condensation to overcome the handicap of shortages in newsprint. He will also point out that British newspaper readers and their tastes, when it comes to en-

joying good news or sports story, are remarkably similar to Texas readers.

Mr. Eade's paper has an amazing circulation of almost 3,000,000 throughout the British Isles, Scotland and Ireland. Bert Haling, radio's Hometown Editor, reads items often from The Dispatch with favorable comment from Texas listeners.

Mr. Eade was press and radio advisor to Lord Louis Mountbatten in the Pacific Theater of War, makes frequent talks via British Broadcasting Company, and has just compiled the former Prime Minister Churchill's war time speeches. His previous appearance on the Hometown Editor series was during the London blitz, when he gave a dramatic account of publishing a newspaper under enemy fire.

Texas' place in the national picture of milk production has changed little in the past five years.

H-SU Instructor On Anson Paper's Staff

Homer Hutto, journalism instructor at Hardin-Simmons University, Abilene, has joined the Western-Observer at Anson as associate editor. Hutto is a native of the Neindia community, a member of a pioneer family of that area. Prior to the war, he published a paper at McCauley and also at Leuders.

That Was All!

He was up before the orderly officer, charged with using insulting language to his sergeant.

"Please, sir," he protested, "I was only answering a question."

"What question?" snapped the officer.

"Well, sir, the sergeant said, 'What do you think I am?' and I told him."

Reynolds New Soil Supervisor for South Swedonia

An election of a District Supervisor for sub-district 4 of the California Creek Soil Conservation District was held at Hamlin, Tuesday of last week. M. S. Reynolds, group leader of the South Swedonia Conservation group, located seven miles southwest of Hamlin, was elected District Supervisor. Reynolds succeeds Tarlton Willingham.

Reynolds has been a conservation farmer for sometime. Prior to making his first application to the California Creek Conservation District for assistance, in November 1943, two of his farms had been terraced. He has practiced contour cultivation and crop rotation. His request was for assistance in checking the terraces for minor repairs and using other practices for soil and moisture conservation. Since November 1943 he has dug a stock pond, planted soil building crops of clover, practiced pasture deferment and pasture rotation, corrected the old terraces and built new terraces on a farm that he rents. Next year Reynolds will increase the acreage under clover and also plant some acreage to vetch and oats. Reynolds now has three farms under agreement with the California Creek Soil Conservation District.

Willingham has served as District Supervisor for sub-district 4 since the inception of the District in 1941. During this time he has given freely of his time to district work as well as applying sound conservation practices to his own land.

Two Hamlin Girls Pledge Tech Club

Jane Adams and Phyllis Richardson of Hamlin are pledging Las Varachas, women's social club at Texas Technological College in Lubbock.

Miss Adams is the daughter of Mr. and Mrs. Seth Adams and Miss Richardson is the daughter of Mrs. W. D. Stahl.
